On December 21, 2005, IBEW Local 125 (Petitioner) filed a unit clarification petition seeking to add Technical Service Specialist and Engineering Assistant classifications to Petitioner's bargaining unit. The petition was filed under OAR 115-25-005(4), but did not conform to the requirements of the rule, since it was not accompanied by any showing of interest. The petition also appeared to be incomplete. It was filed within the 60-90 day window period provided for in OAR 115-25-015(4).

On December 23, 2005, our Elections Coordinator called Petitioner's attention to the defects in its petition. On January 4, 2006, the Elections Coordinator again called Petitioner's representative, stating that until the showing of interest was received, ERB could not serve the petition. No showing of interest has been received.

On January 18, 2006, the Elections Coordinator wrote to Petitioner's representative requesting the petition be withdrawn. Petitioner has not responded.

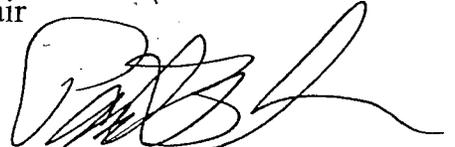

We dismiss the petition. Petitioner has neither complied with the requirements of OAR 115-25-005(4), nor withdrawn the petition.

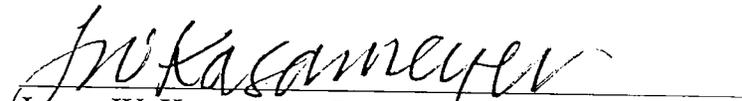

ORDER

The petition is dismissed.

DATED this 16<sup>th</sup> day of February, 2006.
