Dear Dawnette:

Thank you so much for taking the time to speak with me today regarding a donation to the State of Oregon's Charitable Fund Drive (CFD), through the Department of Environmental Quality's Fund Drive Auction, which will take place **October 17, 2013**. As we discussed, your donation of a weekend stay at the Resort would raise significant funds by State of Oregon employees that will go toward one or more of the 900 nonprofits statewide that participate in the CFD. More on the State of Oregon's Charitable Fund Drive can be found at online at <http://www.oregon.gov/GCFS/pages/index.aspx>.

During our conversation, we spoke about the fact that the CFD generates support for hundreds of nonprofit organizations at work in every community around Oregon. Here are just a few of the ways the participating organizations are making a difference:

- Changing lives through the power of community
- Providing resources to people with low incomes
- Working to find cures for major diseases
- Providing simple, decent, affordable housing
- Protecting the Environment
- Preventing child abuse
- Preventing domestic violence
- Supporting arts and culture

Please consider this a request for a donation of a weekend at Resort at the Mountain (a game of golf and a meal would be great too) to our charitable, non-profit organization auction. The CFD is managed as a project of the Children's Trust Fund of Oregon, under which our tax-exempt 501(c)(3) nonprofit status falls (Tax ID# 93-1310666). When you donate you will also receive a second letter that contains additional information for your tax purposes.

On behalf of all 900 nonprofit organizations, we offer our sincere thanks for your consideration of supporting the State of Oregon Charitable Fund Drive, and your willingness to partner with our agency to improve our community.

Sincerely,
