[Facsimile of] Seal of the Landscape Architect

(1) Every registered landscape architect [shall use] must obtain a seal [bearing the name of the registrant, the date of registration, the registration certificate number and the words "Registered Landscape Architect." ] of the design approved by the Board. The seal may be a rubber stamp or a computer-generated seal. [A facsimile of the design and the lettering of the seal appear below: [Graphic not included. See ED. NOTE]]

(2) The circular seal shall be approximately 1 5/8 inches in diameter with the word REGISTERED over the top with a large dot at both ends of the word and the words LANDSCAPE ARCHITECT around the bottom [have].

(3)[2] The circular seal [shall] must have space for the registrant's signature through the center.

(4) The following must be included on the seal:

(a) the registration certificate number above the center signature space and below the word REGISTERED; and

(b) the following information below the center signature space and above the words LANDSCAPE ARCHITECT:

(A) the name of the registrant below the center signature space;

(B) the word OREGON below the registrant's name; and

(C) the initial date of registration below the word OREGON.

[ED. NOTE: The Graphic referenced in this rule is not printed in the OAR Compilation. Copies are available from the agency.]

(4) Each final draft of professional drawings and documents per ORS 671.379 must be stamped or printed with the seal and signed by the registrant. Only the title page of bound specifications must be stamped or printed with the seal and signed by the registrant.

(5) The registrant's expiration date must be noted near the registrant's signature on the seal.

(6) Use of the seal without signature by the responsible Registered Landscape Architect is acceptable on preliminary plans, documents or drafts prepared for review by agencies or others prior to final submittal.

(7) A Registered Landscape Architect is responsible for the custody and proper use of the registrant's seal. Improper use of the seal by anyone shall be grounds for disciplinary action.
