

You & YOUR LANDSCAPE CONTRACTING BUSINESS

compiled by
**THE STATE LANDSCAPE
CONTRACTORS BOARD**

A photograph of a pond filled with water lilies. Several large, round, green lily pads float on the water's surface. In the center, a large pink water lily is in full bloom, showing its many petals and a bright yellow center. To its left, another pink water lily is partially open. To the right, a smaller pink water lily is in bud. The background shows a stone wall and more greenery, suggesting a garden or park setting. The water is dark and reflects the surrounding plants.
