The board shall allow a person applying under ORS 671.570 the option of satisfying the examination requirement under ORS 671.570 (1)(d) either by passing a written examination approved by the board or by passing the practical skills test and attending the business practices class described in this section. If the board requires that applicants for a limited or specialty license pass an examination, the board shall allow a person applying for the limited or specialty license the option of satisfying the examination requirement either by passing a written examination or by passing an appropriate practical skills test and attending the business practices class described in this section.

(2) The board shall make practical skills testing available during three periods each year. Each of the periods must consist of two or more consecutive days on which applicants may take the practical skills test. The periods shall begin:

(a) Between March 1 and May 1;

(b) Between June 1 and August 1; and

(c) Between September 1 and November 1.

(3) The board shall design the practical skills test to determine whether the applicant has the ability to perform the tasks most commonly required of a landscape construction professional in a manner meeting or exceeding practice standards established by board rule. The board shall design the test to have a reasonable expected completion time that is less than eight hours. The board may not test the ability of an applicant to make an installation described in ORS 671.615.

(4) The board shall supply a site for practical skills testing that has adequate lighting and is free from extreme temperatures, falling or blowing snow, ice, high winds and heavy rainfall. The practical skills test must be conducted within an eight-hour period on a single day.

(5) The board shall evaluate task performance during a practical skills test by use of a standardized scoring checklist. If the evaluator determines that an item on the checklist was not performed in a manner meeting or exceeding practice standards established by board rule, the board shall provide written comments explaining in detail why the performance was unsatisfactory. The board shall establish the minimum score for passage of a practical skills test to be 70 percent of the maximum possible score. If an applicant does not pass a practical skills test, the board shall allow the applicant to review the checklist and written comments. If the applicant takes the practical skills test prior to the last day of a test availability period described in subsection (2) of this section, the board shall allow the applicant the opportunity to pay a new examination fee and retake the test during that same availability period.

(6) The board shall offer or approve a class on landscape contracting business practices, not to exceed six hours in length. The class shall be offered to applicants who have successfully completed the practical skills test and be available during the same periods that practical skills testing is available. The board may not test applicants on the class content. An applicant who passes the practical skills test and attends the business practices class satisfies the examination requirement established in ORS 671.570 (1)(d).

(7) The board shall establish fees for applicants described in this section in amounts reasonably calculated to offset the full program cost of conducting the practical skills test and business practices class described in this section.

(8) The board may subcontract or otherwise arrange for a third party to carry out any duty or function of the board regarding practical skills testing

or the class on landscape contracting business practices. [2015 c.652 §1]

The State Landscape Contractors Board may reduce a claim described in this subsection by any amount the claimant owes the landscape contracting business. The board shall process claims described in this subsection only if:

(2) A person having a claim against a landscape contracting business shall give the board notice of the claim in writing 90 days before any action on the bond, letter of credit or deposit is commenced.

(3) The board may not accept a claim against a landscape contracting business for processing if the claim is not filed with the board within one year after the business substantially completed work. The board may not issue an order for the payment of a court judgment or arbitration award from the bond, letter of credit or deposit of a landscape contracting business unless the person has timely filed with the board a claim against the business regarding the same matter that resulted in the judgment or award. [1973 c.832 §29c; 1983 c.452 §16; 1987 c.461 §3; 2007 c.149 §6; 2007 c.541 §36a]

(2) Subsection (1) of this section does not expand the authority of the Construction Contractors Board or State Landscape Contractors Board to resolve a complaint or pay a claim. A determination by either board regarding a complaint or claim is not binding on the other board. The total amount paid to a person described in subsection (1) of this section by the boards may not exceed the damages sustained by the person. The State Landscape Contractors Board may require a person who files a complaint against a landscape contracting business to inform the board of any complaint the person files with the Construction Contractors Board against the business. [2015 c.672 §3]

671.703 Investigation of claim; resolution processes; dismissal of claim; rules. (1) Upon acceptance of a claim described in ORS 671.695, the State Landscape Contractors Board shall initiate an investigation. Upon completion of the investigation, if the board determines that facts exist supporting an order for payment, the board may order the landscape contracting business to pay the claim. A party to the claim may request a hearing on the order issued by the board.

(2) Subject to subsection (5) of this section, if the resolution of the claim requires a hearing, the board may require that the hearing be conducted as a binding arbitration under rules adopted by the board under subsection (4) of this section.

(3) The board may use arbitration, mediation or other forms of dispute resolution to resolve a landscaping dispute between any parties who agree to follow the rules of the board, including parties to a dispute that is not a claim described in ORS 671.695.

(4) Except as provided in this subsection, rules adopted by the board to regulate arbitration under subsections (2) and (3) of this section must substantially conform with the provisions of ORS 36.600, 36.610 to 36.630, 36.635 (2), 36.640, 36.645 (2), 36.650 to 36.680, 36.685 (1) and 36.690 to 36.740. The rules may:

(a) Require that a hearing under ORS 183.413 to 183.470 be conducted for issues for which a petition could be filed under ORS 36.615, 36.620, 36.625 and 36.640;

(b) Limit orders and awards made by the arbitrator as necessary to comply with ORS 671.510 to 671.760;

(c) Require that a request that an arbitrator modify or correct an award under ORS 36.690 be submitted in a form specified by the rule;

(d) Require that a petition under ORS 36.705 (2) or 36.710 (1) be filed in a shorter period of time than provided by ORS 36.705 and 36.760; and

(e) Include any other provision necessary to conform the arbitration to ORS 671.510 to 671.760.

(5) A party to a claim that is subject to a board order of binding arbitration under subsection (2) of this section may avoid the arbitration if the party requests to have the claim resolved through a contested case hearing or files a complaint in a court. A party making a request or filing a complaint under this subsection is subject to the following provisions:

(a) If the party requests to have a claim resolved through a contested case hearing, the party must, within the time specified in paragraph (c) of this subsection, deliver the request in writing to the board and to all parties entitled by board rule to receive a copy of the request.

(b) If the party files a complaint in a court, the

party must, within the time specified in paragraph (c) of this subsection, deliver a copy of the complaint to the board and to all parties entitled by the board rule to receive a copy of the complaint. If the party filing the complaint is the claimant, the claimant must allege all elements of the claim in the complaint. If the complaint is filed by the licensed landscape contracting business against whom a claim is alleged, the complaint may be a complaint for damages, a complaint for declaratory judgment or other complaint that allows the claimant to file a response alleging the elements of the claim. The claimant has the burden of proving the elements of the claim in any action described in this paragraph.

(c) A party that is subject to paragraph (a) or (b) of this subsection must deliver a request or complaint to the board as described in paragraphs (a) and (b) of this subsection no later than the 30th day after the board sends notice that an arbitration hearing has been scheduled. Failure to timely deliver a request or complaint under this paragraph constitutes consent to the binding arbitration.

(d) If a party makes a timely request under paragraph (a) of this subsection for a contested case hearing and another party timely files a complaint in compliance with paragraph (b) of this subsection, the filing of the complaint supersedes the request for a contested case hearing.

(e) A party may not withdraw a request made in compliance with paragraph (a) of this subsection unless all parties agree to the withdrawal.

(f) The provisions of paragraph (b) of this subsection are in addition to any other requirements imposed by law regarding the filing of a complaint.

(6) An arbitration conducted under subsection (2) or (3) of this section must be held before an administrative law judge acting as arbitrator. The administrative law judge assigned to act as arbitrator of the case on behalf of the board must be from the Office of Administrative Hearings established under ORS 183.605. The assignment of an administrative law judge to act as arbitrator is subject to a request for a different arbitrator under ORS 183.645 or a rule adopted pursuant to ORS 183.645.

(7) If a party to a claim described in ORS 671.695 requests a contested case hearing, the board shall schedule the hearing. If a party files a court action to determine the matter described in the claim, the board shall suspend further processing of the claim until the action is resolved by an appropriate court.

(8) If the matter described in a claim is submitted for determination by a court, the board may require that the claimant provide status reports on the pending action. The board may dismiss or close a claim described in ORS 671.695 as established by rule of the board if the claimant fails to submit status reports on a

pending action.

(9) If a final order or arbitration award is issued under this section and the landscape contracting business does not pay the claim on or before the 30th day after receiving the order, the board shall order the claim paid out of the bond, letter of credit or deposit filed under ORS 671.690.

(10) The board may dismiss or close a claim as established by rule of the board if:

(a) The claimant does not permit the person against whom the claim is filed to be present at any on-site investigation made by the board; or

(b) The board determines that the person against whom the claim is filed is capable of complying with recommendations made by the board relative to the claim, but the claimant does not permit the person to comply with the recommendations. The board may dismiss or close a claim under this paragraph only if the person was licensed at the time the work was first performed and is licensed at the time the board makes its recommendations.

(11) The board may suspend processing a claim if the board determines that the nature or complexity of the claim is such that a court is the appropriate forum for the adjudication of the claim. [1979 c.840 §8; 1983 c.452 §17; 1987 c.461 §4; 1989 c.153 §1; 1991 c.533 §2; 1995 c.645 §4; 2001 c.198 §§3,4; 2003 c.75 §56; 2003 c.598 §§48,49; 2007 c.149 §7; 2007 c.541 §37a]

671.707 Actions following final order of board.

(1) If a final order of the State Landscape Contractors Board is not paid by the landscape contracting business, the board shall notify the surety on the business's bond.

(2) An order of the board that determines a claim under ORS 671.703 that becomes final by operation of law or on appeal and remains unpaid for 20 days after the order becomes final is an order in favor of the claimant against the landscape contracting business and may be recorded with the county clerk in any county of this state.

(3) Upon receipt, the clerk shall record the order in the County Clerk Lien Record. In addition to any other remedy provided by law, recording an order in the County Clerk Lien Record pursuant to this section has the effect provided for in ORS 205.125 and 205.126, and the order may be enforced as provided in ORS 205.125 and 205.126. [1979 c.840 §10; 1999 c.153 §1; 2007 c.149 §8; 2007 c.541 §38a]

671.710 Priority on satisfaction of claims. (1)

Determinations by the State Landscape Contractors Board or judgments against the surety bond, letter of credit or deposit of a landscape contracting business for claims filed during a 90-day period shall be satisfied in the priority listed in subsections (2) to (4) of this section. The payment of a claim filed during a 90-day period has priority over any claim filed during a subsequent 90-day period. A 90-day period begins on the date the first claim is filed with the board. A subsequent 90-day period begins on the date the first claim is filed with the board after the close of the preceding 90-day period.

(2) Determinations and judgments as a result of claims filed within a 90-day period against a landscape contracting business by owners of property upon which landscaping work was performed or was contracted to perform, or by the agents of the owner, have payment priority to the full extent of the bond, letter of credit or deposit over all other claims filed within the same 90-day period.

(3) If the total of all claims filed against a landscape contracting business by property owners or their agents under subsection (2) of this section within a 90-day period does not exhaust the bond, letter of credit or deposit, amounts due as a result of all other claims filed within the same 90-day period may be satisfied from the remainder of the bond, letter of credit or deposit, except that the total amount paid from any one bond to nonowner claimants may not exceed \$3,000.

(4) If the total of all claims against a landscape contracting business within a single 90-day period exceeds the amount of the bond, letter of credit or deposit available for payment of those claims, payment from the bond, letter of credit or deposit shall be apportioned as the board determines, subject to the claim payment priorities established under this section.

(5) The total amount paid from any one bond for recovery of dispute resolution costs, interest and attorney fees may not exceed \$3,000. [1973 c.832 §29d; 1979 c.840 §11; 1983 c.452 §19; 1999 c.34 §1; 2005 c.609 §19; 2007 c.149 §9; 2007 c.541 §39]

671.750 Portland metropolitan area business licenses. The Legislative Assembly intends to reduce the number of city business licenses that a landscape contracting business must obtain to conduct business in the Portland metropolitan area. The purpose of this section and ORS 671.755 is to enable a landscape contracting business to secure from the metropolitan service district one business license that will permit the landscape contracting business to conduct business in cities in which the landscape contracting business

performs a limited amount of work and in which it does not have a principal place of business. The Legislative Assembly also intends that this section and ORS 671.755 apply only to landscape contracting businesses without regard to any subsequent expansion of the jurisdiction of the State Landscape Contractors Board over other businesses. It is the policy of this state that, to the maximum extent possible consistent with the requirements of this section and ORS 671.755, the cities within the boundaries of the metropolitan service district be allowed to control the imposition of business license taxes and to maintain the level of revenues obtained from those taxes. The amount and trends of revenue produced or distributed to each city is intended to reflect the landscape contracting business activity within the participating cities. [2007 c.541 §46]

671.755 Issuance of business license by metropolitan service district; city business license tax. (1) As used in this section:

(a) "Business license tax" means any fee paid by a person to a city or county for any form of license that is required by the city or county in order to conduct business in that city or county. "Business license tax" does not mean a franchise fee or privilege tax imposed by a city upon a public utility under ORS 221.420 or 221.450 or under a city charter.

(b) "Conducting business" means engaging directly, or through officers, agents and employees, in an activity in pursuit of gain.

(c) "Principal place of business" means the location in this state of the central administrative office of a person conducting business in this state.

(d) "Within a metropolitan service district" means that city limits are wholly or partially inside district boundaries.

(2) A landscape contracting business shall pay directly to any city within a metropolitan service district any business license tax imposed by the city if:

(a) The landscape contracting business has its principal place of business within the city; or

(b) The landscape contracting business does not have its principal place of business within the city but derives gross receipts of \$250,000 or more from conducting business within the city during the calendar year for which the tax is owed.

(3) A landscape contracting business may apply for a business license from a metropolitan service district if the business conducts business in a city that is within the district but that is not a city to which the business directly pays a business license tax for that year.

(4) The metropolitan service district shall issue a business license to a landscape contracting business if:

(a) The business proves to the district that the

business has directly paid the business license tax imposed by each city within the district to which the business must directly pay a business license tax; and

(b) The business pays a license fee to the district.

(5) The license fee charged under subsection (4) of this section shall be twice the average business license tax charged to landscape contracting businesses by cities located within the metropolitan service district plus an amount that is sufficient to reimburse the district for the administrative expenses of the district incurred in carrying out its duties under this section.

(6) If a landscape contracting business is issued a business license by the metropolitan service district under subsection (4) of this section, and a city within the district other than a city described in subsection (2) of this section demands that the business pay a business license tax, the demanding city shall waive payment of the tax if the business proves by possession or otherwise that the business has a business license issued by the metropolitan service district for the calendar year for which the tax is owed.

(7) The metropolitan service district shall distribute the business license fees collected by the district under this section, less administrative expenses, to the cities within the district that collect a business license tax. In any year, each of the cities shall receive a share of the license fees based upon the proportion that the number of residential building permits the city issued during the year bears to the total number of residential building permits issued during the year by all of the cities within the district. The district shall determine the number of residential building permits issued by cities within the district from statistics and other data published by the State Housing Council. A district shall distribute moneys under this subsection at least once each year. [2007 c.541 §47]

671.760 Business income tax. (1) As used in this section, "business license tax" has the meaning given that term in ORS 671.755.

(2) A city that imposes a business license tax based on or measured by adjusted net income earned by conducting business within the city is exempt from ORS 671.755. [2007 c.541 §48]

(Penalties)

671.990 Penalties for violations of ORS 671.010 to 671.220 or 671.530. (1) Violation of any of the provisions of ORS 671.010 to 671.220 is subject to the provisions of ORS 671.220.

(2) Violation of ORS 671.530 is a misdemeanor. [Subsection (2) enacted as 1961 c.431 §24; subsection (3) enacted as 1971 c.764]

671.997 Civil penalties for violations of ORS 671.510 to 671.760. The board shall determine the amount of the civil penalty, not to exceed \$2,000 for each offense.

(2) The board shall impose civil penalties under this section as provided in ORS 183.745.

(3) The provisions of this section are in addition to and not in lieu of any other penalty or sanction provided by law.

(4)(a) If a landscape contracting business commits an act described under ORS 671.610 (5), the board may assess civil penalties or impose license sanctions under this subsection on the landscape contracting business to which the contract is awarded, the landscape contracting business that awards the contract, or both.

(b) Notwithstanding subsection (1) of this section, a civil penalty imposed on a landscape contracting business for a first offense of committing an act described under ORS 671.610 (5) may not exceed \$1,000.

(c) In addition to any civil penalty assessed by the board, if a landscape contracting business has two or more prior offenses for committing acts described under ORS 671.610 (5), the board may impose license sanctions on the landscape contracting business. The license sanctions:

(A) For a third offense may not exceed the suspension of, or refusal to reissue, a license for six months;

(B) For a fourth offense may not exceed revocation of the license for three years; or

(C) For a fifth or subsequent offense may provide for permanent revocation of the license. [Formerly 671.955; 2007 c.541 §40; 2009 c.11 §89; 2015 c.672 §15]

(2) An owner of record at the time the owner of record sells residential property to a purchaser shall protect the purchaser from claims of lien that arise before the date on which the sale is complete but that may become perfected under ORS 87.035 after the date on which the sale is complete by one of the following methods:

The written instructions shall require the escrow agent to pay upon the purchaser's demand a claim of lien that is perfected after the date of the sale of the property and that the owner that sold the property has not paid. The escrow agent shall make the payment from the amount maintained in escrow. The escrow agent shall release the unused funds from escrow to the owner that sold the property if the escrow agent receives a request from the owner that sold the property and the owner that sold the property provides documentation from a title company that:

(A) A claim of lien has not been perfected against the property and 90 days have passed since the date that construction was completed; or

(5) Violation of subsection (3) of this section is a Class A violation.

(6) In addition to any other remedy or penalty provided by law, a purchaser may bring an action to recover up to twice the amount of actual damages

caused by a violation of subsection (2) of this section. The court may award to the prevailing party, in addition to costs and disbursements, reasonable attorney fees. Any action brought under this subsection must be commenced not later than two years after the date on which the sale of the property is completed.

(7) For purposes of subsections (5) and (6) of this section and ORS 646.608:

(9) Nothing in this section requires the payment of a lien that is not otherwise valid. This section does not apply to claims of lien perfected by persons that furnish materials, equipment, services or labor at the request of the purchaser of the residential property. [2003 c.778 §2; 2010 c.77 §1]

(6) A landscape architect, land surveyor or other person who prepares plans, drawings, surveys or specifications that are used for the landscaping or preparation of a lot or parcel of land or who supervises the landscaping or preparation shall have a lien upon the land for the plans, drawings, surveys or specifications used or supervision performed.

[Amended by 1957 c.651 §2; 1973 c.671 §2; 1975 c.466 §3; 1977 c.596 §2; 1981 c.757 §1]

87.015 Land and interests therein subject to lien; leaseholds. (1) The site together with the land that may be required for the convenient use and occupation of the improvement constructed on the site, to be determined by the court at the time of the foreclosure of the lien, shall also be subject to the liens created under ORS 87.010 (1), (4) and (5) if, at the time of the commencement of the improvement, the person who caused the improvement to be constructed was the owner of that site and land. If the person owned less than a fee-simple estate in the site and land, then only the interest of the person therein shall be subject to the lien.

(2) If a lien created under ORS 87.010 (1), (4) and (5) is claimed against a unit as defined in ORS 100.005 to 100.910, the Oregon Condominium Act, the common elements appertaining to that unit are also subject to the lien.

(3) When the interest of the person who caused the improvement to be constructed is a leasehold interest, and that person has forfeited the rights of the person thereto, the purchaser of the improvement and leasehold term at any sale under the provisions of ORS 87.001 to 87.060 and 87.075 to 87.093, is deemed to be the assignee of the leasehold term, and may pay the lessor all arrears of rent or other money and costs due under the lease. If the lessor regains possession of the property, or obtains judgment for the possession thereof prior to the commencement of construction of the improvement, the purchaser may remove the improvement within 30 days after the purchaser purchases it, and the owner of the land shall receive the rent due the owner, payable out of the proceeds of the

sale, according to the terms of the lease, down to the time of removal. [Amended by 1975 c.466 §4]

87.018 Delivery of notices. (1) Except as provided in ORS 87.093, all notices required under ORS 87.001 to 87.060 and 87.075 to 87.093 must be in writing and be delivered in person or by registered or certified mail.

(2) A notice that must be given under ORS 87.001 to 87.060 or 87.075 to 87.093 to a mortgagee must be delivered to the mortgagee only if the name and address of the mortgagee appear in a mortgage of record or a trust deed of record as required under ORS 205.234 (1)(b) or in the instrument that assigns a mortgage or trust deed as required under ORS 205.234 (1)(g). [1975 c.466 §5; 1981 c.757 §2; 2007 c.648 §15; 2011 c.505 §2]

87.021 Notice to owners; notice from owner to original contractor; effect of failure to give notice.

(1) Except when material, equipment, services or labor described in ORS 87.010 (1) to (3), (5) and (6) is furnished at the request of the owner, a person furnishing any materials, equipment, services or labor described in ORS 87.010 (1) to (3), (5) and (6) for which a lien may be perfected under ORS 87.035 shall give a notice of right to a lien to the owner of the site. The notice of right to a lien may be given at any time during the progress of the improvement, but the notice only protects the right to perfect a lien for materials, equipment and labor or services provided after a date which is eight days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, before the notice is delivered or mailed. However, no lien is created under ORS 87.010 (5) or (6) for any services provided for an owner-occupied residence at the request of an agent of the owner.

(2) The notice required by subsection (1) of this section shall be substantially in the form set forth in ORS 87.023.

(3)(a) Except as provided in paragraph (b) of this subsection, a lien created under ORS 87.010 (1) to (3), (5) or (6) may be perfected under ORS 87.035 only to the extent that the notice required by subsection (1) of this section is given.

(b) A person who performs labor upon a commercial improvement or provides labor and material for a commercial improvement or who rents equipment used in the construction of a commercial improvement need not give the notice required by subsection (1) of this section in order to perfect a lien created under ORS 87.010. As used in this paragraph:

(A) "Commercial improvement" means any structure or building not used or intended to be used as a residential building, or other improvements to a site

on which such a structure or building is to be located.

(B) "Residential building" means a building or structure that is or will be occupied by the owner as a residence and that contains not more than four units capable of being used as residences or homes.

(4) Unless otherwise agreed or the lien claimant who is required to give the notice under subsection (1) of this section is in privity with the original contractor, when a provision in an agreement for the construction of a commercial improvement requires the original contractor to hold an owner harmless or to indemnify an owner for a lien created under ORS 87.010 and perfected under ORS 87.035, that provision is not enforceable as to any lien which requires that a notice under this section be given to the owner unless a copy of the notice is delivered pursuant to ORS 87.018 to the original contractor not later than 10 days after its receipt by the owner. [1975 c.466 §7 (enacted in lieu of 87.020); 1981 c.757 §3; 1983 c.674 §1; 1983 c.757 §1; 1987 c.662 §1; 2001 c.311 §1; 2002 s.s.1 c.6 §§1,4; 2003 c.778 §10]

IMPORTANT INFORMATION FOR YOUR PROTECTION

Under Oregon's laws, those who work on your property or provide labor, equipment, services or materials and are not paid have a right to enforce their claim for payment against your property. This claim is known as a construction lien.

If your contractor fails to pay subcontractors, material suppliers, rental equipment suppliers, service providers or laborers or neglects to make other legally required payments, the people who are owed money can look to your property for payment, even if you have paid your contractor in full.

The law states that all people hired by a contractor to provide you with materials, equipment, labor or services must give you a notice of right to a lien to let you know what they have provided.

WAYS TO PROTECT YOURSELF ARE:

- RECOGNIZE that this notice of right to a lien may result in a lien against your property unless all those supplying a notice of right to a lien have been paid.

- LEARN more about the lien laws and the meaning of this notice by contacting the Construction Contractors Board, an attorney or the firm sending this notice.

- ASK for a statement of the labor, equipment, services or materials provided to your property from each party that sends you a notice of right to a lien.

- WHEN PAYING your contractor for materials, equipment, labor or services, you may make checks payable jointly to the contractor and the firm furnishing

materials, equipment, labor or services for which you have received a notice of right to a lien.

- OR use one of the methods suggested by the "Information Notice to Owners." If you have not received such a notice, contact the Construction Contractors Board.

- GET EVIDENCE that all firms from whom you have received a notice of right to a lien have been paid or have waived the right to claim a lien against your property.

- CONSULT an attorney, a professional escrow company or your mortgage lender.

87.025 Priority of perfected liens; right to sell improvements separately from land; notice to mortgagee; list of materials or supplies.

(1) A lien created under ORS 87.010 (2) or (6) and perfected under ORS 87.035 upon any lot or parcel of land shall be preferred to any lien, mortgage or other encumbrance which attached to the land after or was unrecorded at the time of commencement of the improvement.

(2) Except as provided in subsections (3) and (6) of this section, a lien created under ORS 87.010 (1), (4) or (5) and perfected under ORS 87.035 upon any improvement shall be preferred to all prior liens, mortgages or other encumbrances upon the land upon which the improvement was constructed. To enforce such lien the improvement may be sold separately from the land; and the purchaser may remove the improvement within a reasonable time thereafter, not to exceed 30 days, upon the payment to the owner of the land of a reasonable rent for its use from the date of its purchase to the time of removal. If such removal is prevented by legal proceedings, the 30 days shall not begin to run until the final determination of such proceedings in the court of first resort or the appellate court if appeal is taken.

(3) No lien for materials or supplies shall have priority over any recorded mortgage or trust deed on either the land or improvement unless the person furnishing the material or supplies, not later than eight days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, after the date of delivery of material or supplies for which a lien may be claimed delivers to the mortgagee either a copy of the notice given to the owner under ORS 87.021 to protect the right to claim a lien on the material or supplies or a notice in any form that provides substantially the same information as the form set forth in ORS 87.023.

(4) A mortgagee who has received notice of delivery of materials or supplies in accordance with the provisions of subsection (3) of this section, may demand a list of those materials or supplies including a statement of the amount due by reason of delivery thereof. The list of materials or supplies shall be delivered to the mortgagee within 15 days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, of receipt of demand, as evidenced by a receipt or a receipt of delivery of a registered or certified letter containing the demand. Failure to furnish the list or the amount due by the person giving notice of delivery of the materials or supplies shall constitute a waiver of the preference provided in subsections (1) and (2) of this section.

(5) Upon payment and acceptance of the amount due to the supplier of materials or supplies, and upon demand of the person making payment, the supplier shall execute a waiver of all lien rights as to materials or supplies for which payment has been made.

(6) Unless the mortgage or trust deed is given to secure a loan made to finance the alteration or repair, a lien created under ORS 87.010 and perfected under ORS 87.035 for the alteration and repair of an improvement commenced and made subsequent to the date of record of a duly executed and recorded mortgage or trust deed on that improvement or on the site shall not take precedence over the mortgage or trust deed.

(7) The perfection of a lien under ORS 87.035 relates to the date of commencement of the improvement as defined in ORS 87.005. Except as provided in subsection (3) of this section, the date of creation of the lien under ORS 87.010 and the date of perfection of the lien under ORS 87.035 do not affect the priorities under this section, the equal priority of perfected lien claimants, or the distribution of proceeds to perfected lien claimants under ORS 87.060 (6). [Amended by 1965 c.446 §2; 1967 c.602 §2; 1975 c.466 §8; 1981 c.757 §6; 1983 c.513 §1; 1983 c.674 §3; 1985 c.513 §1; 1987 c.662 §3]

87.027 Right of owner to demand list of services, materials, equipment and labor; penalty for failure to provide list. An owner who receives a notice of right to a lien in accordance with the provisions of ORS 87.021 may demand, in writing, from the person providing materials, equipment, services or labor a list of materials or equipment or description of labor or services supplied or a statement of the contractual basis for supplying the materials, equipment, services or labor, including the percentage of the contract completed, and the charge therefor to the date of the demand. The supplier's statement shall be delivered to the owner within 15 days, not including Saturdays,

Sundays and other holidays as defined in ORS 187.010, of receipt of the owner's written demand, as evidenced by a receipt or a receipt of delivery of a certified or registered letter containing the demand. (2) Subsection (1) of this section does not apply to a lien prohibited under ORS 87.037. [Amended by 1975 c.466 §9; 1987 c.662 §5; 2007 c.648 §9]

Every other person claiming a lien created under ORS 87.010 shall perfect the lien not later than 75 days after the completion of construction. All liens claimed shall be perfected as provided by subsections (2) to (4) of this section.

(b) The name of the owner, or reputed owner, if known;

(c) The name of the person by whom the claimant was employed or to whom the claimant furnished the materials or rented the equipment or by whom contributions are owed; and

(d) A description of the property to be charged with the lien sufficient for identification, including the address if known.

(4) The claim of lien shall be verified by the oath of the person filing or of some other person having knowledge of the facts, subject to the criminal penalties for false swearing provided under ORS 162.075. [Amended by 1961 c.609 §1; 1973 c.671 §3; 1975 c.466 §10; 1983 c.517 §1; 1985 c.596 §1; 1987 c.662 §6]

(1) A subcontractor or a person that provides labor, materials or equipment for a project to renovate, remodel, repair or otherwise alter an existing owner-occupied residence may not perfect a claim of lien against the owner's property under ORS 87.035 if the subcontractor or the person provided or contracted to provide services, labor, materials or equipment to a contractor that was unlicensed at the earlier of the following times:

(a) The time the subcontractor or the person first contracted with the contractor for the project; or

(b) The time the person first delivered labor, materials or equipment to the project site.

(2) Subsection (1) of this section does not apply if the services, labor, materials or equipment is purchased with cash or consumer credit.

(3) The Construction Contractors Board may notify a person at the person's request of the status of a contractor's license using any means the board uses to notify a contractor of the contractor's license status. The board may charge the person a fee in an amount the board specifies by rule for the cost of providing the notice to the person. [2010 c.77 §3]

Note: 87.037 was added to and made a part of 87.001 to 87.060 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

87.039 Notice of filing claim of lien; effect of failure to give notice. (1) A person filing a claim of lien pursuant to ORS 87.035 shall mail to the owner and to the mortgagee a notice in writing that the claim has been filed. Notice mailed by any person to the mortgagee who received the notice required under ORS 87.025 shall be deemed in compliance with this subsection unless the person giving the notice has actual knowledge of a change of mortgagee.

(2) No costs, disbursements or attorney fees otherwise allowable as provided by ORS 87.060 shall be allowed to any party failing to comply with subsection (1) of this section. [1975 c.466 §14; 1983 c.674 §4; 1985 c.513 §3; 1987 c.662 §7]

(4) Anyone claiming a lien created under ORS 87.010 on the premises described in a completion or abandonment notice for labor or services performed and materials or equipment used prior to the date of the notice shall perfect the lien pursuant to ORS 87.035.

(5) Except as provided in subsection (6) of this section, an improvement is abandoned:

(a) On the 75th day after work on the construction of the improvement ceases; or

(b) When the owner or mortgagee of the improvement or an agent of either posts and records an abandonment notice in writing signed by either the owner or the mortgagee.

The recording officer of each county shall record all notices and claims of lien required to be filed by the provisions of ORS 87.001 to 87.060 and 87.075 to 87.093 in the statutory lien record. The notices and claims recorded in the statutory lien record shall be indexed as deeds and other conveyances are required by law to be indexed and shall constitute a public record of the county.

[Amended by 1975 c.466 §12; 1987 c.662 §9; 2001 c.577 §2]

87.055 Duration of lien; when suit to enforce lien commences. No lien created under ORS 87.010 shall bind any improvement for a longer period than 120 days after the claim of lien is filed unless suit is brought in a proper court within that time to enforce the lien, or if extended payment is provided and the terms thereof are stated in the claim of lien, then 120 days after the expiration of such extended payment, but no lien shall be continued in force for a longer time than two years from the time the claim of lien is filed under ORS 87.035 by any agreement to extend payment. For purposes of this section:

(1) Subject to subsection (2) of this section, a suit to enforce the lien shall be deemed commenced as provided in ORS 12.020.

(2) With regard to other parties who are construction lien claimants under ORS 87.035, a suit to enforce the lien shall be deemed to commence when the complaint is filed, whether or not summons or service with regard to such parties is completed within the time required by ORS 12.020. [Amended by 1975 c.466 §13; 1985 c.341 §1; 1985 c.513 §4; 1987 c.662 §10]

87.057 Notice of intent to foreclose; list of materials furnished and statement of prices; effect of failure to give notice. (1) A person intending to foreclose a lien shall deliver to the owner of the property upon which the lien is claimed and to the mortgagee a notice in writing not later than 10 days prior to commencement of the suit stating that such person, or others, intends to commence suit to foreclose the lien. Notice delivered to the mortgagee who received the notice required by ORS 87.025 shall be deemed in compliance with this subsection, unless the person giving notice has actual knowledge of a change of mortgagee.

(2) Where a notice of intent to foreclose a lien has been given as provided by subsection (1) of this section, the sender of the notice upon demand of the owner shall furnish to the owner within five days after the demand a list of the materials and supplies with the charge therefor, or a statement of a contractual basis for the owner's obligation, for which a claim will be made in the suit to foreclose.

(3) A plaintiff or cross-complainant seeking to foreclose a lien in a suit to foreclose shall plead and prove compliance with subsections (1) and (2) of this section. No costs, disbursements or attorney fees otherwise allowable as provided by ORS 87.060 shall be allowed to any party failing to comply with the

provisions of this section. [1975 c.466 §15; 1987 c.662 §11]

87.058 [1981 c.618 §16; 1987 c.662 §12; 1991 c.181 §15; 2001 c.197 §8; 2007 c.793 §2; repealed by 2011 c.630 §53]

87.059 Stay in proceedings to enforce lien; requirements; procedure; dissolution of stay. (1) As used in this section:

(a) Notwithstanding ORS 87.005, "contractor" has the meaning given that term in ORS 701.005.

(b) "Board" means the Construction Contractors Board established in ORS 701.205.

(2) If a person files a suit to enforce a lien perfected under ORS 87.035 and the owner of the structure subject to that lien files a complaint that is being processed by the board under ORS 701.145 against a contractor who performed work on the structure, the owner may obtain a stay of proceedings on the suit to enforce the lien if:

(a) The owner already has paid the contractor for that contractor's work that is subject to this chapter on the structure;

(b) The person suing to enforce the lien perfected under ORS 87.035:

(A) Performed work that is subject to ORS chapter 701 on the structure for the contractor who has been paid by the owner;

(B) Furnished labor, services or materials or rented or supplied equipment used on the structure to the contractor who has been paid by the owner; or

(C) Otherwise acquired the lien as a result of a contribution toward completion of the structure for which the contractor has been paid by the owner; and

(c) The continued existence of the lien on which the suit is pending is attributable to the failure of the contractor who has been paid by the owner to pay the person suing for that person's contribution toward completion of the structure.

(3) The owner may petition for the stay of proceedings described in subsection (2) of this section by filing the following papers in the circuit court in which the suit on the lien is pending:

(a) A certified copy of the complaint filed for processing by the board under ORS 701.145; and

(b) An affidavit signed by the owner that contains:

(A) A description of the structure;

(B) The street address of the structure;

(C) A statement that the structure is the structure upon which the suit to enforce the lien is pending; and

(D) A statement that the petitioner is the owner of the structure.

(4) Upon receipt of a complete petition described in subsection (3) of this section, the circuit court shall stay proceedings on the suit to enforce the lien.

(5) After the board order on the complaint becomes final and the board issues any required notice for payment against the contractor's bond or deposit, the circuit court shall dissolve the stay ordered under subsection (4) of this section. [2011 c.630 §56]

87.060 Foreclosure; right to jury trial; distribution of proceeds of foreclosure sale. (1) A suit to enforce a lien perfected under ORS 87.035 shall be brought in circuit court, and the pleadings, process, practice and other proceedings shall be the same as in other cases.

(2) In a suit to enforce a lien perfected under ORS 87.035, evidence of the actual costs of the labor, equipment, services and material provided by the lien claimant establishes a rebuttable presumption that those costs are the reasonable value of that labor, equipment, services and material.

(3) In a suit to enforce a lien perfected under ORS 87.035, the court shall allow or disallow the lien. If the lien is allowed, the court shall proceed with the foreclosure of the lien and resolve all other pleaded issues. If the lien is disallowed, and a party has made a demand for a jury trial as provided for in subsection (4) of this section, the court shall impanel a jury to decide any issues triable of right by a jury. All other issues in the suit shall be tried by the court.

(4) A party may demand a trial by jury of any issue triable of right by a jury after the lien is disallowed, if that party serves a demand therefor in writing upon the other parties at any time prior to commencement of the trial to foreclose the lien. The demand shall be filed with the court. The failure of a party to serve a demand as required by this subsection shall constitute a waiver by the party of trial by jury. A demand for trial by jury made as provided in this subsection may not be withdrawn without the consent of the parties.

(5) When notice of intent to foreclose the lien has been given, pleaded and proven as provided for in ORS 87.057, the court, upon entering judgment for the lien claimant, shall allow as part of the costs all moneys paid for the filing or recording of the lien and all moneys paid for title reports required for preparing and foreclosing the lien. In a suit to enforce a lien perfected under ORS 87.035 the court shall allow a reasonable amount as attorney fees at trial and on appeal to the party who prevails on the issues of the validity and foreclosure of the lien.

(6) In case the proceeds of any sale under ORS 87.001 to 87.060 and 87.075 to 87.093 are insufficient to pay all lienholders claiming under such statutes, the liens of all persons shall be paid pro rata. Each

claimant is entitled to execution for any balance due the claimant after the distribution of the proceeds, and that execution shall be issued by the clerk of the court, upon demand, after the return of the sheriff or other officer making the sale showing the balance due.

(7) All suits to enforce any lien perfected under ORS 87.035 shall have preference on the calendar of the court over every civil suit, except suits to which the state is a party, and shall be tried by the court without unnecessary delay. In such a suit, all persons personally liable, and all lienholders whose claims have been filed for record pursuant to ORS 87.035, shall, and all other persons interested in the matter in controversy, or in the property sought to be charged with the lien, may be made parties; but persons not made parties are not bound by the proceedings. The proceedings upon the foreclosure of the liens perfected under ORS 87.035 shall, as nearly as possible, conform to the proceedings of a foreclosure of a mortgage lien upon real property. [Amended by 1975 c.466 §16; 1981 c.897 §20; 1981 c.898 §44; 1983 c.517 §2; 1987 c.662 §13]

87.070 Amount of recovery by contractor; respective rights of contractor and owner. Any contractor may recover, upon a lien perfected by the contractor, only the amount due to the contractor according to the terms of the contract, after deducting all claims of other parties for work done and materials furnished for which a lien is perfected under ORS 87.035. Where a claim of lien is filed pursuant to ORS 87.035 for work done or material or equipment furnished to any contractor, the contractor shall defend any action brought thereupon at the expense of the contractor, and during the pendency of such action the owner may withhold from the contractor the amount of money for which such claim of lien is filed. In case of judgment against the owner or the property of the owner upon the lien, the owner may deduct from any amount due or to become due by the owner to the contractor the amount of such judgment and costs; and if the amount of the judgment and costs exceeds the amount due by the owner to the contractor, or if the owner has settled with the contractors in full, the owner may recover back from the contractor any amount so paid in excess of the contract price, and for which the contractor was originally the party liable. [Amended by 1987 c.662 §14]

87.075 Exemption of building materials from attachment by third persons. When a person furnishes or procures materials for use in the construction of an improvement, those materials are not subject to attachment, execution or other legal process to enforce any debt due by the purchaser of the

materials, except a debt due for the purchase money thereof, so long as in good faith the materials are about to be applied to the construction of the improvement. [Amended by 1975 c.466 §23]

87.076 Bond or deposit of money; amount; demand for release of lien; effect. (1) The owner of an improvement or land against which a lien perfected under ORS 87.035 is claimed, or an interested person, may file with the recording officer of the county in whose office the claim of lien is filed a bond executed by a corporation authorized to issue surety bonds in the State of Oregon to the effect that the principal or principals on the bond shall pay the amount of the claim and all costs and attorney fees that are awarded against the improvement or land on account of the lien. The bond shall be in an amount not less than 150 percent of the amount claimed under the lien, or in the amount of \$1,000, whichever is greater.

(2)(a) In lieu of the surety bond provided for in subsection (1) of this section, the owner of an improvement or land against which a lien perfected under ORS 87.035 is claimed, or an interested person, may deposit with the treasurer of the county in which the claim of lien is filed a sum of money or the equivalent of money equal in value to 150 percent of the amount claimed under the lien, or in the amount of \$1,000, whichever is greater.

(b) A person who makes a deposit under paragraph (a) of this subsection is entitled to any investment income. The treasurer shall pay the investment income to the person who makes the deposit at the time the treasurer, in accordance with ORS 87.083, distributes the money deposited under this subsection. The person who makes the deposit bears the risk for a loss that results from an investment of the money deposited.

(3) A person may file a bond or deposit money under subsection (1) or (2) of this section at any time after the claim of lien is filed under ORS 87.035.

(4)(a) A person entitled to post a bond under subsection (1) of this section or a cash deposit under subsection (2) of this section may deliver pursuant to ORS 87.018 a written demand to the lien claimant that a lien perfected under ORS 87.035 be released and a notice that if the lien is not released the person may recover the actual costs the person incurred in complying with this section and ORS 87.078 and 87.081 or the sum of \$500, whichever is greater. If the lien is not released within 10 days after the demand and notice is delivered and the lien claimant or an assignor of the lien claimant does not bring a suit to foreclose the lien within the time provided in ORS 87.055, and if the person who made the demand has complied with this section and ORS 87.078 and 87.081, then the lien claimant or assignor of the lien claimant who fails to

release or foreclose the lien is liable to the person for the actual costs the person incurred in complying with this section and ORS 87.078 and 87.081 or the sum of \$500, whichever is greater, in addition to any other remedy provided by law or equity.

(b) In an action to recover damages under this subsection in which the plaintiff prevails, the court, at trial and on appeal, shall allow and fix a reasonable amount for attorney fees for prosecution of the action, if the court finds that a written demand for payment of the claim was made on the defendant not less than 20 days before commencement of the action. However, the court may not allow attorney fees to the plaintiff, but shall allow attorney fees to the defendant, if the court finds that the defendant tendered to the plaintiff prior to commencement of the action an amount not less than the damages awarded to the plaintiff.

(c) If a lien claimant or an assignor of the lien claimant is served with a demand under paragraph (a) of this subsection and is a prevailing party in the suit to foreclose the lien, then in addition to other costs and attorney fees to which the lien claimant or the assignor of the lien claimant is entitled, the court shall allow the actual costs incurred in addressing the demand or the sum of \$500, whichever is greater. [1975 c.466 §17; 1983 c.513 §3; 1987 c.662 §15; 1999 c.845 §1; 2009 c.513 §1]

87.078 Notice of filing bond or depositing money; contents of notice; effect of failure to give notice. (1) A person who files a bond or deposits money under ORS 87.076 shall cause to be served upon the lien claimant a notice of the filing or deposit and, if a bond, a copy thereof, not later than 20 days after the filing or deposit. The notice shall state the location and time of the filing or deposit.

(2) If a person does not notify the lien claimant as required by subsection (1) of this section, the filing of the bond or the deposit of money is of no effect and the provisions of ORS 87.083 shall not apply in a suit to foreclose the lien for which the filing or deposit is made. [1975 c.466 §18]

87.081 Filing affidavit with county officer. (1) When a person files a bond with the recording officer of the county under ORS 87.076 and serves notice of the filing upon the lien claimant, the person shall file with the same recording officer an affidavit stating that such notice was served.

(2) When a person deposits money with the treasurer of a county under ORS 87.076 and serves notice of the deposit upon the lien claimant, the person shall file with the recording officer of the same county an affidavit stating that the deposit was made and notice was served. [1975 c.466 §19; 2005 c.22 §54]

87.083 Foreclosure after filing of bond or deposit of money; effect of filing or deposit; disposition of bond or money. (1) A suit to foreclose a lien pursuant to ORS 87.060 that is commenced or pending after a bond is filed or money deposited under ORS 87.076 shall proceed as if no filing or deposit was made except that the lien shall attach to the bond or money upon the filing or deposit and the service of notice thereof upon the lien claimant. The property described in the claim of lien is thereafter entirely free of the lien and is not involved in subsequent proceedings.

(2) The county or an officer or employee of the county may not be named or otherwise made a party to a suit described in subsection (1) of this section.

(3) When a bond is filed or money is deposited, if, in a suit to enforce the lien for which the filing or deposit is made, the court allows the lien, the lien must be satisfied out of the bond or money. The court shall include as part of the court's judgment an order that specifies the amount the treasurer must release to the judgment creditor and the amount of the remaining balance that the treasurer must release to the person who deposited the money.

(4) When a bond is filed or money is deposited, if, in a suit to enforce the lien for which the filing or deposit is made, the court disallows the lien, the court shall include as part of the court's judgment an order to return the bond or money to the person who filed the bond or deposited the money.

(5) Notwithstanding an order from the court under subsection (3) or (4) of this section or an order or notice under ORS 87.088, if the county treasurer is not certain about how to distribute money deposited under ORS 87.076, the treasurer shall notify the lien claimant and the person who deposited the money of how the treasurer intends to distribute the money. If within 10 days after the date of the treasurer's notice a party to the suit to foreclose the lien objects to the notice, the treasurer may:

(a) Hold the money until the court or a stipulation of the parties provides further direction; or

(b) Commence an interpleader proceeding under ORCP 31. [1975 c.466 §20; 1987 c.662 §16; 2005 c.22 §55; 2009 c.513 §2]

87.086 Determination of adequacy of bond. If a lien claimant considers the bond filed with a recording officer of a county inadequate to protect the claim of the lien claimant for some reason other than the amount of the bond, the lien claimant shall, within 10 days of receipt of the notice of filing, petition the court in which the suit to foreclose the lien may be brought for a determination of the adequacy of the bond. The

lien claimant shall state in detail the reasons for the inadequacy. Not later than two days after the filing of the petition with the court, the lien claimant shall send a notice of the filing and a copy of the petition by registered or certified mail to the person who filed the bond. After a hearing, if the court determines that the bond is inadequate for one or more of the reasons stated by the lien claimant, the court shall order such action as shall make the bond adequate to protect the claim of lien. [1975 c.466 §21; 1987 c.662 §17]

87.088 Release of lien or return of money. The county recording officer shall record a written release of the lien or the county treasurer in whose office money is deposited under ORS 87.076 shall return the money to the person who made the deposit if:

(1) The person who filed the bond or deposited the money under ORS 87.076 notifies the lien claimant and the treasurer in writing and by certified mail that a suit to foreclose the lien was not commenced within the time specified by ORS 87.055. The notice shall provide that the lien claimant has 15 calendar days in which to object to the release of the lien and the return of the money and to provide documentation that demonstrates that a suit was timely commenced or that the time for commencement has not expired. If the treasurer receives an objection, the treasurer may decide how to distribute the money or may commence an interpleader proceeding under ORCP 31.

(2) The person who filed the bond or deposited the money presents a certified copy of a court's order for the release of the bond or all or some of the money to the person.

(3) The person who filed the bond or deposited the money presents a written release of lien signed by the lien claimant. [1975 c.466 §22; 1999 c.654 §5; 2009 c.513 §3]

87.089 Limitations on actions. The provisions of ORS 87.076, 87.083 and 87.088 do not create a cause of action and may not be asserted as a basis for a per se negligence action. [2009 c.513 §5]

87.093 Information Notice to Owner; rules; contents; when notice must be delivered; effect of failure to deliver notice; penalty. (1) The Construction Contractors Board shall adopt by rule a form entitled "Information Notice to Owner" which shall describe, in nontechnical language and in a clear and coherent manner using words in their common and everyday meanings, the pertinent provisions of the Construction Lien Law of this state and the rights and responsibilities of an owner of property and an original contractor under that law. The "Information Notice to Owner" shall include signature lines for the contractor

and the property owner. The rights and responsibilities described in the form shall include, but not be limited to:

(a) Methods by which an owner may avoid multiple payments for the same materials and labor;

(b) The right to file a complaint against a licensed contractor with the board and, if appropriate, to be reimbursed from the contractor's bond filed under ORS chapter 701; and
