Oregon Emergency Management
P.O. Box 14370
Salem, Oregon 97303-5062

Dear Director Phelps:

As requested, the U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA) has completed a pre-adoption review of the 2015 update to the *Oregon Natural Hazards Mitigation Plan*. The plan update successfully contains the required criteria, excluding the adoption, for an Enhanced Mitigation Plan, as outlined in 44 CFR Section 201.5. This letter serves as Region 10's commitment to approve the plan update upon receiving documentation of the State of Oregon's adoption of the plan. The Oregon Natural Hazards Mitigation Plan will not be formally approved by FEMA until it is adopted.

Please contact our Regional Mitigation Planning Manager, Kristen Meyers, at (425) 487-4543 with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Mark Carey".
