

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES,
THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF
THE STATE OF OREGON

IN THE MATTER OF THE CLAIM FOR) FINAL ORDER
COMPENSATION UNDER ORS 197.352) CLAIM NO. M129617
(BALLOT MEASURE 37) OF)
Robert and Mary Schmitt, CLAIMANTS)

Claimants: Robert and Mary Schmitt (the Claimants)

Property: Township 5S, Range 4W, Section 10, Tax lot 500, Yamhill County (the Property)

Claim: The demand for compensation and any supporting information received from the Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under ORS 197.352. Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to Robert and Mary Schmitt's development of a dwelling on the 52.9-acre subject property: applicable provisions of Goal 3, ORS 215 and OAR 660, division 33, enacted or adopted after they acquired the subject property. These laws will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired the western 45-acre portion of the property on May 7, 1973, when Mary Schmitt acquired the northeastern 7.9-acre portion of the property on February 20, 2003, and when Robert Schmitt acquired the northeastern 7.9-acre portion of the property on April 13, 2005. The department acknowledges that the relief to which the claimants are entitled under ORS 197.352 will not allow the claimants to use the northeastern 7.9-acre portion of the property in the manner set forth in the claim.
2. The action by the State of Oregon provides the state's authorization to the claimants to use the subject property for the use described in this report, subject to the standards in effect when the claimants acquired the western 45-acre portion of the property on May 7, 1973, and when they each acquired the northeastern 7.9-acre portion of the property on February 20, 2003, for

Mary Schmitt and on April 13, 2005, for Robert Schmitt. On February 20, 2003, and April 13, 2005, the northeastern 7.9-acre portion of the property was subject to applicable provisions of Goal 3, ORS 215 and OAR 660, division 33, currently in effect.

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.

4. Any use of the subject property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the subject property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimants.

This Order is entered by the Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under ORS 197.352, OAR 660-002-0010(8), and OAR 125, division 145, and by the Administrator for the State Services Division of the DAS as a final order of DAS under ORS 197.352, OAR 125, division 145, and ORS 293.
