Violet E. Udell

PROPERTY IDENTIFICATION: Township 12S, Range 1W, Section 19D
Tax lot 2600

OTHER CONTACT INFORMATION: Jim Udell

DATE RECEIVED BY DAS: November 21, 2006

DEADLINE FOR FINAL ACTION:¹ May 14, 2008

I. SUMMARY OF CLAIM

The claimants, Bert and Violet Udell, seeks compensation in the amount of \$289,300 for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimants desire compensation or the right to divide the 15.82-acre subject property into three parcels and to develop a dwelling on each parcel. The subject property is located at the geographic coordinates listed above, near the South Santiam River, near Lebanon, in Linn County. (See claim.)

II. SUMMARY OF STAFF RECOMMENDATION

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that this claim is not valid because the claimants

¹ ORS 197.352, as originally enacted, required that final action on claims made under Measure 37 be made within 180 days of the date the claim was filed. In response to the large volume of claims filed in late 2006, the Oregon legislature passed House Bill 3546, which became effective on May 10, 2007. This legislation increased the amount of time state and local governments have to take final action on Measure 37 claims filed on or after November 1, 2006, by 360 days, to a total of 540 days.

are not owners of the subject property. (See the complete recommendation in Section VI of this report.)

III. COMMENTS ON THE CLAIM

Comments Received

On June 12, 2007, pursuant to Oregon Administrative Rule (OAR) 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, no written comments were received in response to the 15-day notice.

IV. TIMELINESS OF CLAIM

Requirement

ORS 197.352(5), requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or
2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criterion, whichever is later.

Findings of Fact

This claim was submitted to DAS on November 21, 2006, for processing under OAR 125, division 145. The claim identifies Statewide Planning Goal 3 (Agricultural Lands) and provisions of ORS 215 and OAR 660, divisions 15, and 33, as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

Conclusions

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

V. ANALYSIS OF CLAIM

1. Ownership

ORS 197.352 provides for payment of compensation or relief from specific laws for "owners" as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines "owner" as "the present owner of the property, or any interest therein."

Findings of Fact

The claimants, Bert and Violet Udell, first acquired the subject property on January 11, 1971, as reflected by a contract included with the claim. However, on August 28, 2002, Bert and Violet Udell conveyed the subject property to Bert and Betty Udell Family Tree Farm, LLC, as evidenced by a statutory warranty deed included with the claim.²

The Linn County Assessor's Office confirms Bert and Betty Udell Family Tree Farm, LLC's current ownership of the subject property. The claimants, Bert and Violet Udell, are not owners of the subject property.

Conclusions

The claimants, Bert and Violet Udell, have not established that they are "owners" of the subject property as that term is defined in ORS 197.352(11)(C).

2. The Laws That are the Basis for This Claim

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimants' use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimants or a family member acquired the property.

As explained in Section V.(1), the claimants, Bert and Violet Udell, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws enforced by the Land Conservation and Development Commission (the Commission) or the department restrict the claimants' use of the subject real property with the effect of reducing the fair market value of the property.

3. Effect of Regulations on Fair Market Value

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have "the effect of reducing the fair market value of the property, or any interest therein."

As explained in Section V.(1) of this report, the claimants, Bert and Violet Udell, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws restrict the claimants' use of the subject property with the effect of reducing the fair market value of the subject property.

4. Exemptions Under ORS 197.352(3)

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

² Bert and Betty Udell Family Tree Farm, LLC is a domestic limited liability company registered with the Oregon Secretary of State.

As explained in Section V.(1) of this report, the claimants, Bert and Violet Udell, are not “owners” of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, the issue of whether any laws are exempt from ORS 197.352 is not relevant to this claim.

VI. FORM OF RELIEF

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

Findings of Fact

Based on the record, the department finds that the claim is not valid because the claimants are not owners of the subject property.

Conclusions

Based on the record before the department, the claimants, Bert and Violet Udell, have not established that they are entitled to relief under ORS 197.352(1) as a result of land use regulations enforced by the Commission or the department because the claimants are not owners of the subject property. Therefore, the department recommends that this claim be denied.

VII. COMMENTS ON THE DRAFT STAFF REPORT

The department issued its draft staff report on this claim on July 18, 2007. OAR 125-145 0100(3), provided an opportunity for the claimants or the claimants’ authorized agent and any third parties who submitted comments under OAR 125-145-0080 to submit written comments, evidence and information in response to the draft staff report and recommendation.
