ORS 197.352 (BALLOT MEASURE 37) CLAIM FOR COMPENSATION

**OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT
Final Staff Report and Recommendation**

STATE CLAIM NUMBER: M131138

NAME OF CLAIMANT: Doris Johnson

MAILING ADDRESS: 33991 SE Lusted Road
Gresham, Oregon 97080

PROPERTY IDENTIFICATION: Township 1S, Range 4E, Section 26
Tax lots 7300 and 7400
Clackamas County

OTHER CONTACT INFORMATION: Gary M. Bullock
1001 SW Fifth Avenue, Suite 1500
Portland, Oregon 97204

DATE RECEIVED BY DAS: November 22, 2006

DEADLINE FOR FINAL ACTION:¹ May 15, 2008

I. SUMMARY OF CLAIM

The claimant, Doris Johnson, seeks compensation in the amount of \$1,005,945 for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimant desires compensation or the right to divide the 37.54-acre subject property into six approximately 5-acre parcels and to develop a dwelling on each parcel. The subject property is located at 37703 SE Bear Creek Road, near Boring, in Clackamas County. (See claim.)

II. SUMMARY OF STAFF RECOMMENDATION

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that this claim is not valid because the claimant is not an owner of the subject property. (See the complete recommendation in Section VI of this report.)

¹ ORS 197.352, as originally enacted, required that final action on claims made under Measure 37 be made within 180 days of the date the claim was filed. In response to the large volume of claims filed in late 2006, the Oregon legislature passed House Bill 3546, which became effective on May 10, 2007. This legislation increased the amount of time state and local governments have to take final action on Measure 37 claims filed on or after November 1, 2006, by 360 days, to a total of 540 days.

III. COMMENTS ON THE CLAIM

Comments Received

On August 20, 2007 pursuant to Oregon Administrative Rule (OAR) 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, two written comments were received in response to the 15-day notice.

The comments do not address whether the claim meets the criteria for relief under ORS 197.352. Comments concerning the effects a use of the subject property may have on surrounding areas are generally not something that the department is able to consider in determining whether to waive a state law. If funds do become available to pay compensation, then such effects may become relevant in determining which claims to pay compensation for instead of waive a state law. (See the comment letters in the department's claim file.)

IV. TIMELINESS OF CLAIM

Requirement

ORS 197.352(5), requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or
2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criterion, whichever is later.

Findings of Fact

This claim was submitted to DAS on November 22, 2006, for processing under OAR 125, division 145. The claim identifies OAR 660-033-0100(1) and ORS 215.780(1)(a) as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

Conclusions

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

V. ANALYSIS OF CLAIM

1. Ownership

ORS 197.352 provides for payment of compensation or relief from specific laws for “owners” as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines “owner” as “the present owner of the property, or any interest therein.”

Findings of Fact

The claimant, Doris Johnson, acquired the subject property on May 15, 1961, as reflected by a contract included with the claim. However, on December 30, 2003, she conveyed the subject property to Bear Creek Farms I, LLC, as evidenced by a quitclaim deed included with the claim.

The Clackamas County Assessor’s Office confirms Bear Creek Farms I, LLC’s current ownership of the subject property. The claimant, Doris Johnson, is not an owner of the subject property.

Conclusions

The claimant, Doris Johnson, has not established that she is an “owner” of the subject property as that term is defined in ORS 197.352(11)(C).

2. The Laws That are the Basis for This Claim

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimant’s use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimant or a family member acquired the property.

As explained in Section V.(1), the claimant, Doris Johnson, is not an “owner” of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws enforced by the Land Conservation and Development Commission (the Commission) or the department restrict the claimant’s use of the subject real property with the effect of reducing the fair market value of the property.

3. Effect of Regulations on Fair Market Value

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have “the effect of reducing the fair market value of the property, or any interest therein.”

As explained in Section V.(1) of this report, the claimant, Doris Johnson, is not an “owner” of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws restrict the claimant’s use of the subject property with the effect of reducing the fair market value of the subject property.

4. Exemptions Under ORS 197.352(3)

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

As explained in Section V.(1) of this report, the claimant, Doris Johnson, is not an “owner” of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, the issue of whether any laws are exempt from ORS 197.352 is not relevant to this claim.

VI. FORM OF RELIEF

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

Findings of Fact

Based on the record, the department finds that the claim is not valid because the claimant is not an owner of the subject property.

Conclusions

Based on the record before the department, the claimant, Doris Johnson, has not established that she is entitled to relief under ORS 197.352(1) as a result of land use regulations enforced by the Commission or the department because the claimant is not an owner of the subject property. Therefore, the department recommends that this claim be denied.

VII. COMMENTS ON THE DRAFT STAFF REPORT

The department issued its draft staff report on this claim on October 4, 2007. OAR 125-145 0100(3), provided an opportunity for the claimant or the claimant’s authorized agent and any third parties who submitted comments under OAR 125-145-0080 to submit written comments, evidence and information in response to the draft staff report and recommendation. Comments received have been taken into account by the department in the issuance of this final report.
