Claimant: Harold Mast

Enclosed, in regard to the above-referenced claim for compensation under Ballot Measure 37 (ORS 197.352), is the Final Staff Report and Recommendation of the Department of Land Conservation and Development, and the Final Order.

This Final Staff Report and Recommendation and the Final Order constitute the final decision on this claim. No further action will be taken on this matter.

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES,
THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF
THE STATE OF OREGON

IN THE MATTER OF THE CLAIM FOR)	FINAL ORDER
COMPENSATION UNDER ORS 197.352)	CLAIM NO. M131307
(BALLOT MEASURE 37) OF)	
Harold Mast, CLAIMANT)	

Claimant: Harold Mast (the Claimant)

Property: Township 21S, Range 11W, Section 9, Tax lot 100, Douglas County (the Property)

Claim: The demand for compensation and any supporting information received from the Claimant by the State of Oregon (the Claim).

Claimant submitted the Claim to the State of Oregon under ORS 197.352. Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to Harold Mast's division of the 20-acre subject property into two 10-acre parcels or to his development of a dwelling on the resulting undeveloped parcel: applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, enacted or adopted after June 21, 1978. These land use regulations will not apply to the claimant only to the extent necessary to allow him to use the subject property for the use described in this report, and only to the extent that use was permitted when he acquired the property on June 21, 1978.
2. The action by the State of Oregon provides the state's authorization to the claimant to use the property for the use described in this report, subject to the standards in effect on June 21, 1978. On that date, the property was subject to applicable provisions of Goal 3 or 4 and ORS 215 then in effect.
3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimant first obtains that permit, license or other form of authorization or consent.

Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.

4. Any use of the property by the claimant under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimant to use the subject property, it may be necessary for him to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimant from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimant.

6. Nothing in this report or the state's final order for this claim constitutes any determination of ownership by the State of Oregon as to submerged or submersible lands, or as to public rights to the use of waters of the state.

This Order is entered by the Manager for the Measure 37 Services Division of DLCD and the Land Conservation and Development Commission under ORS 197.352, OAR 660-002-0010(8), and OAR 125, division 145, and by the Manager of the Measure 37 Services Unit of the DAS as a final order of DAS under ORS 197.352, OAR 125, division 145, and ORS 293.
