RE: State Measure 37/49 Claim M122790 - Patt

Dear Ms. Patt:

On February 5, 2008, the Department of Land Conservation and Development (Department) mailed you a Measure 49 Election Packet, which included a Notice and an Election Form. The packet instructions explained that to be eligible for relief under Measure 49, you were required to return the Election Form to the Department within 90 days, electing either the Express (section 6 of Measure 49) or the Conditional (Section 7 of Measure 49) option. On March 3, 2008, the Department received your Supplemental Review forms but did not receive your completed Election Form. On March 5, 2008, the Department sent you a letter requesting the missing form. Your 90-day election period ended on May 5, 2008. The Department did not receive a completed Election Form by that date.

Section 8(3) of Measure 49 states that "[i]f the claimant fails to file the form within 90 days after the date the Department mails the notice, the claimant is not entitled to relief under section 6 or 7 of Measure 49." Because you did not file the required Election Form within 90 days, you are no longer eligible for Measure 49 Express or Conditional relief for Measure 37 Claim Number M122790. The Department will not complete any further review of Measure 37 claim M122790; that claim will be closed without any further action.

Please note that the closure of M122790 does not affect any other Measure 37 claim you may have. If you filed multiple claims, whether for the same or for different property, or if you filed a single claim that was divided by the Department of Administrative Services, or the Department, into two or more claim numbers, you should have already received separate Measure 49 Election Packets for each individual claim number. You have 90 days from the date each Election Packet was mailed to file your Election for the Claim identified on each Election Form. For further information about property subject to claims, see our website at [www.lcd.state.or.us/LCD/MEASURE49](http://www.lcd.state.or.us/LCD/MEASURE49).
