RE: State Measure 37/49 Claim E118526 - Haugen

Dear Claimants:

Following the Legislature's passage of House Bill 3225 (Chapter 855 (2009 Laws)), the Department of Land Conservation and Development (the department) mailed you a notification packet that explained that while you did not meet one of the original requirements of Measure 49, House Bill 3225 had revised that requirement. The packet also included a payment form. As explained in the notice, to be eligible for additional supplemental review under Measure 49 as amended, you were required, by House Bill 3225 and OAR 660-0410-0080, to return the payment form and \$175 payment to the department within 56 days of the date of the notice.

The department received check number 7654 from you on December 2009. However, that check was returned due to insufficient funds. On March 23, 2010 the department sent you a letter notifying you that you had 56 days from that date to submit your \$175 payment in addition to a \$25 returned check charge.

The 56-day response period ended on May 18, 2010. The department did not receive payment or a request for an extension of time from you by that date. Therefore, you are not eligible for additional supplemental review of claim number E118526 under Measure 49.

Claim E118526 will be closed and the department will take no further action regarding the review of the claim. If you believe you have received this letter in error or have any questions, please contact this office at (503) 373-0050 ext. 324 or via e-mail at [measure49.info@state.or.us](mailto:measure49.info@state.or.us).

This correspondence concerning claim E118526 is a Final Order from the department in other than a contested case. Please note that you have the right to petition for agency reconsideration or judicial review of this Final Order under ORS 183.484.

Sincerely,

Judith Moore  
Division Manager
