DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER:

E124652

CLAIMANTS:

Jon Dale and Lynna Gay Bowers
94745 Lovelake Road
Junction City, OR 97448

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 15S, Range 4W, Section 28
Tax lots 402 and 403
Lane County

The claimants, Jon and Lynna Bowers, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on March 28, 2006, for property located at 94745 Lovelake Road, near Junction City, in Lane County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes nine home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49 the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Jon and Lynna Bowers, filed a Measure 37 claim, M124652, with the state on March 28, 2006. The claimants filed a Measure 37 claim, PA-05-5708, with Lane County on May 26, 2005. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Lane County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Jon and Lynna Bowers are the owners of fee title to the property as shown in the Lane County deed records and, therefore, are owners of the property under Measure 49.

Lane County has confirmed that the claimants are the current owners of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Lane County, outside the urban growth boundary and outside the city limits of the nearest city, Junction City.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (E-30) by Lane County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Lane County’s E-30 zone, which requires a minimum lot size of 30 acres.

The claimants’ property consists of 9.28 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

The Lane County deed records indicate that the claimants acquired tax lot 402 (3.39 acres) on May 4, 2005, and tax lot 403 (5.89 acres) on June 19, 2003.¹

On both June 19, 2003, and May 4, 2005, the Measure 37 claim property was subject to Lane County's acknowledged E-30 zone. Lane County's E-30 zone required 30 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 9.28 acres. Therefore, the claimants lawfully could not have established any additional home sites on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 5, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. The claimants submitted comments in response to the Preliminary Evaluation disputing the Department's determination of their acquisition date of the Measure 37 claim property. As stated in the Preliminary Evaluation, regarding reacquisition of claim property, Measure 49 section 21(3) provides: "If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant's acquisition date is the date the claimant reacquired ownership of the property." The record establishes that the claimants conveyed their interest in the Measure 37 claim property to KTR Asset Management Company. KTR Asset Management Company subsequently conveyed the property to Steadfast, LLC. The claimants reacquired their ownership interest in tax lot 403 on June 19, 2003, and in tax lot 402 on May 4, 2005, from Steadfast LLC, as reflected by the recorded deeds included in the record. Therefore, under the language of Measure 49 the Department determined the claimants' acquisition dates to be the 2003 and 2005, dates discussed above.

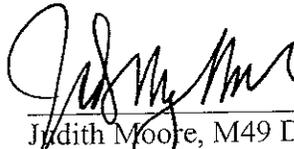

¹ The deed records indicate claimants reacquired tax lot 402 on May 4, 2005 and tax lot 403 on June 19, 2003 after conveying the tax lots to another entity. Regarding reacquisition of claim property, Measure 49 section 21(3) provides: "If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant's acquisition date is the date the claimant reacquired ownership of the property."

III. CONCLUSION

Based on the analysis above, the claimants, Jon and Lynna Bowers do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
