

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER: E130367A¹

CLAIMANTS: George A. and Patricia R. Calvert
425 Calvert Drive
Grants Pass, Oregon 97526

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 36S, Range 6W, Section 4
Tax lots 100, 101, 103 and 104
Josephine County

The claimants, George and Patricia Calvert, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on October 20, 2006, for property located along Rusty Spur Road and northwest of the intersection of Rusty Spur Road and Hulburt Road, near Grants Pass, in Josephine County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested thirteen home site approvals in the election material. The Measure 37

¹ Claim E130367 has been split into two claims, E130367A and E130367B, because the Measure 37 claim sought relief for non-contiguous property. Claim E130367A addresses the claimants' eligibility for Measure 49 relief on tax lots 100, 101, 103 and 104; and E130367B addresses their relief on tax lots 1200 and 1201.

waiver issued for this claim describes seventeen home sites.² Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, George and Patricia Calvert, filed a Measure 37 claim, M130367, with the state on October 20, 2006. The claimants filed Measure 37 claims, 2006-006 and 2007-007, with Josephine County on July 14, 2005. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Josephine County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, George and Patricia Calvert are the owners of fee title to the property as shown in the Josephine County deed records and, therefore, are owners of the property under Measure 49.

Josephine County has confirmed that the claimants are the current owners of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

² The Measure 37 waiver described the property and provided relief for tax lots 100, 101, 103 and 104, the property addressed in this report; and tax lots 1200 and 1201 which are addressed in the companion report, E130367B.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Josephine County, outside the urban growth boundary and outside the city limits of the nearest city, Grants Pass.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Rural Residential (RR-5), by Josephine County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size greater than two acres. Josephine County's RR-5 requires a minimum lot size of 5 acres.

The claimants' property consists of 21.07 acres. Therefore, no state law prohibits the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, the establishment of the three home sites for which the claimants may qualify on the property is not prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Josephine County deed records indicate that the claimants acquired the property on November 24, 1961.

On November 24, 1961, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimants from establishing at least three lots or parcels and at least three dwellings. Therefore, the claimants lawfully could have established the three home sites the claimants qualify for under Section 6 of Measure 49.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 28, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial.

III. CONCLUSION

Based on the analysis above, the claimants are not eligible for any relief under Measure 49 because no land use regulation prohibits the claimants from establishing three home sites on the Measure 37 claim property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
