

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER:

E130853

CLAIMANTS:

James C. and Judith L. Warner
20240 Birdsong Lane
Bend, OR 97701

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 16S, Range 12E, Section 20
Tax lot 1200
Deschutes County

The claimants, James and Judith Warner, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 17, 2006 for property located at 65360 Swalley Road, near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes 15 home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, James and Judith Warner, filed a Measure 37 claim, M130853, with the state on November 17, 2006. The claimants filed a Measure 37 claim with Deschutes County on November 17, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Deschutes County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, James and Judith Warner are the owners of fee title to the property as shown in the Deschutes County deed records and, therefore, are owners of the property under Measure 49.

Deschutes County has confirmed that the claimants are the current owners of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 9.54 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Deschutes County deed records indicate that the claimants acquired the property on January 17, 1977.

On January 17, 1977, the Measure 37 claim property was subject to state statutes, the statewide planning goals and implementing regulations. On the claimants' date of acquisition the property was zoned Exclusive Agricultural (A-1) by Deschutes County. Deschutes County's Exclusive Agricultural (A-1) zone required 5 acres for the creation of a new lot or parcel on which a dwelling could be established. However, because the Commission had not acknowledged the county's comprehensive plan and land use regulations as being in compliance with the statewide planning goals, the statewide planning goals and Goal 3 in particular, and ORS chapter 215 applied directly to the claimants' property.

On May 11, 1981, the Commission acknowledged the application of Deschutes County's EFU zone to the Measure 37 claim property. The Commission's acknowledgement of Deschutes County's EFU zone confirmed that zone's compliance with Goal 3 and ORS chapter 215. Deschutes County's acknowledged EFU zone required at least 20 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 9.54 acres and is developed with at least one dwelling. Therefore, on the claimants' acquisition date, they could not have established any additional home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. The claimants do not qualify for any home sites under Measure 49 because the claimants have not shown that a direct application of the Goals and ORS chapter 215 would have allowed the claimants to establish additional home sites.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 17, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants, James and Judith Warner do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the requested lots, parcels or dwellings on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
