DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER: E131018

CLAIMANT: Janette Heil
38888 Ridge Road Drive
Scio, OR 97374

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 10S, Range 1W, Section 6
Tax lot 1502
Linn County

The claimant, Janette Heil, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 21, 2006, for property located at 38888 Ridge Road Drive, near Scio, in Linn County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested four home site approvals in the election material. The Measure 37 waiver issued for this claim describes four home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49 the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Janette Heil, filed a Measure 37 claim, M131018, with the state on November 21, 2006. The claimant filed a Measure 37 claim, M37-187-06, with Linn County on November 22, 2006. The state claim was filed prior to December 4, 2006. The claimant timely filed a Measure 37 claim with both the state and Linn County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed and trust documents submitted by the claimant, Janette Heil is the settlor of a revocable trust into which she conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49. Linn County has confirmed that the claimant is the current owner of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Linn County, outside the urban growth boundary and outside the city limits of the nearest city, Scio.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Linn County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 78.07 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Linn County deed records indicate that the claimant acquired the property on February 18, 1988.

On February 18, 1988, the Measure 37 claim property was subject to Linn County's acknowledged EFU zone. Linn County's EFU zone required discretionary review under LDO 6.060(1) and 6.055 for the creation of a new lot or parcel on which a dwelling could be established. Linn County's EFU zone further required discretionary planning commission review and approval under LDO 6.040 for the establishment of a dwelling on a lot or parcel of less than 40 acres. The claimant has not submitted any evidence or documentation to establish that she would have satisfied the criteria then in effect, which would have permitted approval of a division of the property or approval of dwellings on the resultant lots or parcels of less than 40 acres. Without documentation establishing that she would have been lawfully permitted to divide the 78.07-acre subject property or place dwellings on the resultant lots or parcels under the standards and criteria in effect when she acquired the property, the claimant lawfully could not have established three home sites on her date of acquisition.¹

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 20, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

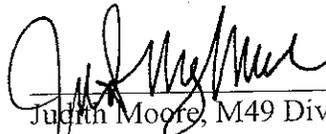

III. CONCLUSION

Based on the analysis above, the claimant, Janette Heil does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish any additional lots, parcels or dwellings on the claimant's date of acquisition.

¹ On the claimant's acquisition date she may have been lawfully permitted to establish one home site on the Measure 37 claim property. However, because it appears that the the Measure 37 claim property already includes at least one lot or parcel that is developed with a dwelling, an authorization of one home site approval would not appear provide the claimant with any benefit.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
