DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Preliminary Evaluation**

February 3, 2009

**STATE ELECTION NUMBER:**

E118539

**CLAIMANT:**

Robert C. Lamb  
349 Walnut Drive South  
Monmouth, Oregon 97361

**MEASURE 37 PROPERTY  
IDENTIFICATION:**

Township 8S, Range 6W, Section 22  
Tax lot 1401  
Polk County

**I. ELECTION**

The claimant, Robert Lamb, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on May 31, 2005, for property located on Bridgeport Road, near Dallas, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

**II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish a home site when he acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE  
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested one home site approval in the election material. The Measure 37 waiver

issued for this claim describes one home site. Therefore, the claimant may qualify for a maximum of one home site approval under Section 6.

#### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

##### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Robert Lamb, filed a Measure 37 claim, M118539, with the state on May 31, 2005. The claimant filed a Measure 37 claim, M05-33, with Polk County on April 25, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

##### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed and trust documents submitted by the claimant, Robert Lamb is the settlor of a revocable trust into which he conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

##### **(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

##### **(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Dallas.

**(d) One or More Land Use Regulations Prohibit Establishing the Dwelling**

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned Exclusive Farm Use (EFU) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned EFU. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimant from establishing a dwelling on the Measure 37 claim property.

**(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Polk County deed records indicate that the claimant acquired the property on July 4, 1993.

On July 4, 1993, the Measure 37 claim property was subject to Polk County’s acknowledged EFU zone. Polk County’s EFU zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 1.13 acres. Therefore, the

claimant lawfully could not have established a home site on the Measure 37 claim property on his date of acquisition.

## **2. Preliminary Conclusion**

Based on the preliminary analysis, the claimant, Robert Lamb, does not qualify for a Measure 49 home site approval because the claimant was not lawfully permitted to establish a dwelling on the claimant's date of acquisition.
