DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Preliminary Evaluation**

March 5, 2009

**STATE ELECTION NUMBER:** E118553

**CLAIMANTS:** Randy and Ellen Inloes  
15624 SE Clinton Ct  
Portland, OR 97236

**MEASURE 37 PROPERTY:  
IDENTIFICATION:** Township 1N, Range 11E, Section 11  
Tax lot 200  
Wasco County

**I. ELECTION**

The claimants, Randy and Ellen Inloes, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 2, 2005 for property located along Godberson Road, near Mosier, in Wasco County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

**II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimants are qualified for up to one home site approval on the Measure 37 claim property. The claimants' property, including both the Measure 37 claim property and all contiguous property in the same ownership, currently appears to consist of one undeveloped lot or parcel. After taking into account the number of lots, parcels and dwellings currently located on the Measure 37 claim property and the contiguous property under the same ownership, it appears that the home site approval will allow the claimants to establish one dwelling on the Measure 37 claim property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE  
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver

was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. The Measure 37 waiver issued for this claim describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6.

#### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

##### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Randy and Ellen Inloes, filed a Measure 37 claim, M118553, with the state on June 2, 2005. The claimants filed a Measure 37 claim, M37-05-102, with Wasco County on June 1, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Wasco County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

##### **(a) The Claimant is an Owner of the Property**

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

According to the deeds submitted by the claimants, Randy and Ellen Inloes are the owners of fee title to the property as shown in the Wasco County deed records and, therefore, are owners of the property under Measure 49.

##### **(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Wasco County, outside the urban growth boundary and outside the city limits of the nearest city, Mosier.

**(d) One or More Land Use Regulations Prohibit Establishing the Dwelling**

As stated in Section III above, the claimants may qualify for up to one home site approval.

The property is currently zoned Forest Use (F-2) by Wasco County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is “forest land” under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, provide standards for the establishment of a dwelling in a forest zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres and generate a minimum annual income from the sale of forest products.

The combined effect of the standards for the establishment of a dwelling in a forest zone is to prohibit the claimants from establishing a dwelling on the Measure 37 claim property.

**(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Wasco County deed records indicate that the claimant Randy Inloes acquired the property on June 5, 1975 and claimant Ellen Inloes acquired the property on November 15, 1982. Therefore, for purposes of Measure 49, the claimants' acquisition date is June 5, 1975.

On June 5, 1975, the Measure 37 claim property was subject to state statutes, the statewide planning goals and implementing regulations. On the claimants' date of acquisition the property was zoned F-2 by Wasco County. However, because the Commission had not acknowledged the county's comprehensive plan and land use regulations as being in compliance with the statewide planning goals, the statewide planning goals and Goal 4 in particular, and ORS ch. 215 applied directly to the claimants' property.

On August 25, 1983, the Commission acknowledged the application of Wasco County's F-2 zone to the Measure 37 claim property. The Commission's acknowledgement of Wasco County's F-2 zone confirmed that zone's compliance with Goal 4 and ORS ch. 215. Wasco County's acknowledged F-2 zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel. The claimants' property consists of 39.08 acres. Therefore, the claimants lawfully could have established one home site on the claimants' date of acquisition.

## **2. Preliminary Conclusion**

Based on the preliminary analysis, it appears that the claimants, Randy and Ellen Inloes, qualify for up to one home site approval on the Measure 37 claim property under Section 6 of Measure 49.

### **V. NUMBER OF LOTS, PARCELS OR DWELLINGS ON OR CONTAINED WITHIN THE PROPERTY**

The number of dwellings that a claimant is authorized to establish pursuant to a home site authorization is reduced by the number of dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. However, if a claimant otherwise qualifies for relief under Section 6 of Measure 49, the claimant will be able to establish one additional dwelling, regardless of the number of dwellings currently in existence.

Based on the documentation provided by the claimants and information obtained from Wasco County, the Measure 37 claim property appears to currently include one lot or parcel and no dwellings. There is no contiguous property under the same ownership. Therefore, the one home site approval the claimants appear to qualify for under Section 6 of Measure 49 will allow the claimants to establish up to one dwelling on the Measure 37 claim property.

### **VI. PRELIMINARY STATEMENT OF PROPOSED LIMITATIONS AND CONDITIONS ON THE NUMBER AND SCOPE OF HOME SITE APPROVALS**

The department has identified the following limitations and conditions that may affect the number or scope of the home site approvals that the claimants would otherwise be entitled to under Section 6 of Measure 49. This list may not be comprehensive and does not preclude the

possibility that other considerations, not yet identified by the department, may affect the establishment of a dwelling authorized by a home site approval.

1. The establishment of a dwelling based on a Measure 49 home site authorization must comply with all applicable standards governing the siting or development of the dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. A home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed.
4. The number of lots, parcels or dwellings a claimant may be eligible to establish under a Measure 49 home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If lots, parcels or dwellings currently exist on the Measure 37 claim property or on contiguous property under the same ownership and the lots, parcels or dwellings have not been disclosed to the department, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to the home site authorization must be reduced according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.
5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a Measure 49 home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which a claimant is not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the future site of a dwelling that may be established pursuant to the home site approval.
7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site

approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.

8. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings.
9. Once the department issues a final home site authorization, a home site approval granted under that authorization will run with the property and will transfer with the property. A home site approval will not expire, except that if a claimant who received a home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on the home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.
10. Because the property is located in a forest zone the owner must comply with the requirements of ORS 215.293 before beginning construction.
11. If an owner of the property is authorized by other home site approvals to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
