May 28, 2009

STATE ELECTION NUMBER:

E118589

CLAIMANTS:

Robert A. and Rebecca R. Kruger
790 Barker Drive
Merlin, OR 97532

MEASURE 37 PROPERTY IDENTIFICATION:

Township 35S, Range 6W, Section 17D
Tax lot 102
Josephine County

I. ELECTION

The claimants, Robert and Rebecca Kruger, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 13, 2005, for property located at 790 Barker Drive, near Merlin, in Josephine County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because no land use regulation prohibits the claimants from establishing the requested lots parcels or dwellings.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The specific relief requested under both Measure 37 and Measure 49 appears to be the division of a one acre home site from the 5-acre Measure 37 property. However, Measure 49 directs the

department to authorize an otherwise prohibited number of home sites and does not provide for more specific relief requested. Therefore, the claimants have requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes two home sites. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Robert and Rebecca Kruger, filed a Measure 37 claim, M118589, with the state on June 13, 2005. The claimants filed a Measure 37 claim, 2005-143, with Josephine County on June 10, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Josephine County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deeds submitted by the claimants, Robert and Rebecca Kruger are the owners of fee title to the property as shown in the Josephine County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Josephine County, outside any urban growth boundary and outside any city limits, near the unincorporated community of Merlin.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to two home site approvals.

The property is currently zoned Rural Residential (RR-1) by Josephine County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than two acres in a rural residential zone established before October 4, 2000, in which the County specified a minimum lot or parcel size of less than two acres.

The claimants' property consists of five acres. Therefore, no state law prohibits the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

Because this requirement has not been met, the claimants are not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Robert and Rebecca Kruger, do not qualify for Measure 49 home site approvals because no land use regulation prohibits the claimants from establishing two home sites on the Measure 37 claim property.
