DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Preliminary Evaluation**

May 29, 2009

**STATE ELECTION NUMBER:** E118642

**CLAIMANTS:** James A. and Edna M. Peck  
4093 S. Smith River Road  
Reedsport, OR 97467

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 21S, Range 11W, Section 16  
Tax lots 2300 and 2400<sup>1</sup>  
Douglas County

**I. ELECTION**

The claimants, James and Edna Peck, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 20, 2005, for property located at 4093 S. Smith River Road, near Reedsport, in Douglas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

**II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE  
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

claimants have requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes two home sites. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

#### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

##### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, James and Edna Peck, filed a Measure 37 claim, M118642, with the state on June 20, 2005. The claimants filed a Measure 37 claim, M37-11, with Douglas County on June 15, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Douglas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

##### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deeds submitted by the claimants, James and Edna Peck are the settlors of a revocable trust into which they conveyed the Measure 37 claim property and, therefore, are owners of the property under Measure 49.

##### **(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Douglas County, outside the urban growth boundary and outside the city limits of the nearest city, Reedsport.

**(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

As stated in Section III above, the claimants may qualify for up to two home site approvals.

An approximately 5-acre portion in the northwest corner of tax lot 2300 is currently zoned Exclusive Farm Use – Grazing (FG) by Douglas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

Tax lot 2300, except for the approximately 5-acre portion in the northwest corner, and tax lot 2400 are currently zoned Farm/Forest (FF) by Douglas County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels. This portion of the Measure 37 claim property consists of approximately 112.91 acres.

Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the home sites the claimants may qualify for under Section 6 of Measure 49.

**(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the two home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Douglas County deed records indicate that the claimants acquired tax lot 2400 on July 1, 1985, and tax lot 2300 on July 10, 1990.

On July 1, 1985 and July 10, 1990, the Measure 37 claim property was subject to Douglas County's acknowledged Exclusive Farm Use – Graziug (FG) and Farm/Forest (FF) zones. Douglas County's FG and FF zones both required 200 acres for the creation of a new lot or parcel on which a dwelling could be established. The FG-zoned portion of the claimant's property consists of approximately five acres and the FF-zoned portion of the claim property consists of approximately 112.91 acres. The Measure 37 claim property is developed with a dwelling. Therefore, the claimants lawfully could not have established any additional home sites on their date of acquisition.

**2. Preliminary Conclusion**

Based on the preliminary analysis, the claimants, James and Edna Peck, do not qualify for Measure 49 home site approvals because the claimants lawfully could not have established any additional home sites on their date of acquisition.
