OF MEASURE 37 CLAIM
Preliminary Evaluation**

February 24, 2009

STATE ELECTION NUMBER: E119074

CLAIMANTS: Don Reyes and Theresa Sugura
22670 NW Dairy Creek Rd
North Plains, OR 97133

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 2N, Range 3W, Section 4
Tax lot 800
Washington County

I. ELECTION

The claimants, Don Reyes and Theresa Sugura, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 27, 2004 for property located at 22670 NW Dairy Creek Rd, near North Plains, in Washington County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional lots or parcels when they acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37

waiver issued for this claim describes residential uses. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Don Reyes and Theresa Sugura, filed a Measure 37 claim, M119074, with the state on December 27, 2004. The claimants filed a Measure 37 claim, 37CL0027, with Washington County on December 21, 2004. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Washington County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

According to the deeds submitted by the claimants, Theresa Sugura and Don Reyes are the owners of fee title to the property as shown in the Washington County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Washington County, outside the urban growth boundary and outside the city limits of the nearest city, North Plains.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Washington County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 39.08 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than

one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Washington County deed records indicate that Theresa Sugura acquired the property on March 3, 1982 and Don Reyes acquired the property on June 6, 2002. Therefore, for purposes of Measure 49, the claimants’ acquisition date is March 3, 1982.

On March 3, 1982, the Measure 37 claim property was subject to state statutes, the statewide planning goals and implementing regulations. On the claimants’ date of acquisition, the property was zoned General Farm Use (GFU-38) by Washington County. However, because the Commission had not acknowledged the county’s comprehensive plan and land use regulations as being in compliance with the statewide planning goals, the statewide planning goals and Goal 3 in particular, and ORS ch. 215 applied directly to the claimants’ property.

On July 31, 1984, the Commission acknowledged the application of Washington County’s Exclusive Farm Use (EFU) zone to the Measure 37 claim property. The Commission’s acknowledgement of Washington County’s EFU zone confirmed that zone’s compliance with Goal 3 and ORS ch. 215. Washington County’s acknowledged EFU zone required 76 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants’ property consists of 39.08 acres. Therefore on the claimants’ acquisition date, they could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. It appears that the claimants do not qualify for any home sites, unless the claimants can show that a direct application of the Goals and ORS ch. 215 would have allowed the claimants to establish additional home sites.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Don Reyes and Theresa Sugura do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish any additional lots or parcels on the Measure 37 property on their date of acquisition.
