I. ELECTION

The claimant, Nadine Harmon, filed a claim under ORS 197.352 (2005) (Measure 37) on July 25, 2006 for property located on Johnson Ranch Road near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which authorizes the Department of Land Conservation and Development (the department) to issue up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when she acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes four home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Nadine Harmon, filed a Measure 37 claim, M129741, with the state on July 25, 2006. The claimant filed a Measure 37 claim, M37-05-68, with Deschutes County on October 5, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Deschutes County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Nadine Harmon is the owner of fee title to the property as shown in the Deschutes County deed records

(b) All Owners of the Property Have Consented in Writing to the Claim

The deed by which the claimant acquired the property indicates that there is one non-claimant owner. The claimant has submitted a consent form signed by the non-claimant owner.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Deschutes County, on Johnson Ranch Road, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU-AL) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a dwelling on a lot or parcel less than 80 acres in size in an EFU zone. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Deschutes County’s EFU-AL zone, which requires a minimum lot size of thirty-six irrigated acres.

The claimant’s property consists of 19.2 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of home sites on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Deschutes County deed records indicate that the claimant acquired the property on December 28, 1979¹

On December 28, 1979, the Measure 37 claim property was subject to state statutes, the statewide planning goals and implementing regulations. On the claimant's date of acquisition the property was zoned EFU-40 by Deschutes County. However, because the Commission had not acknowledged the county's comprehensive plan and land use regulations as being in compliance with the statewide planning goals, the statewide planning goals and Goal 3 in particular, and ORS ch. 215 applied directly to the claimant's property.

On May 5, 1981, the Commission acknowledged the application of Deschutes County's EFU-40 zone to the Measure 37 claim property. The Commission's acknowledgement of Deschutes County's EFU-40 zone confirmed that zone's compliance with Goal 3, and ORS ch. 215. Deschutes County's acknowledged EFU-40 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 19.2 acres. Therefore, on the claimant's acquisition date, she could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. It appears that the claimant does not qualify for any home sites unless the claimant can show that a direct application of the Goals and ORS ch. 215 would have allowed the claimant to establish additional home sites.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Nadine Harmon, does not qualify for any Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.

¹ The claimant included an unrecorded land sale contract with an earlier date with her claim. However, unrecorded documents do not establish ownership for purposes of Measure 49.

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimant and the claimant's agent and notice of this evaluation is mailed to third parties.
