**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 8, 2009

STATE ELECTION NUMBER: E129807

CLAIMANT: John Teleck
1563 Meadowlark Drive SE
Stayton, OR 97383

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 9S, Range 2W, Section 7A
Tax lot 400
Marion County

I. ELECTION

The claimant, John Teleck, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on August 4, 2006, for property located at 10135 Parrish Gap Road SE, near Turner, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. The Measure 37

waiver issued for this claim describes five home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, John Teleck, filed a Measure 37 claim, M129807, with the state on August 4, 2006. The claimant filed a Measure 37 claim, M06-54, with Marion County on July 19, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Marion County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, John Teleck is a settlor of a revocable trust into which he conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

The deed by which the claimant acquired the property indicates that there is a non-claimant owner who has not consented to the claim: Verna Joanne Teleck. Without the consent of all non-claimant owners, the department is not authorized to provide any relief under Measure 49. Such consent must be provided in writing within the time periods set for comment on this claim, set forth in OAR 660-041-0090.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, Turner.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Special Agriculture (SA) by Marion County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 25.46 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than

one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Marion County deed records indicate that the claimant acquired the property on June 6, 1998.

On June 6, 1998, the Measure 37 claim property was subject to Marion County’s acknowledged Special Agriculture (SA) zone. Marion County’s SA zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant’s property consists of 25.46 acres and is developed with one dwelling. Therefore, the claimant lawfully could not have established any additional home sites on his date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, John Teleck, does not qualify for Measure 49 home site approvals the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant’s date of acquisition.

V. NOTICE OF OPPORTUNITY TO COMMENT
