I. ELECTION

The claimants, Larry and Jill Sumerlin, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on August 15, 2006, for property located at 2680 McCormick Loop Road, near Tillamook, in Tillamook County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to one home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that claimants Larry Sumerlin is not eligible for any relief under Measure 49 the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

Based on the department's preliminary analysis, it appears that the claimant Jill Sumerlin is not eligible for any relief under Measure 49 because the claimant no longer owns the Measure 37 claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Larry and Jill Sumerlin, filed a Measure 37 claim, M129861, with the state on August 15, 2006. The claimants filed a Measure 37 claim, M06-05, with Tillamook County on August 9, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Tillamook County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deeds submitted by the claimants, Larry Sumerlin is the owner of fee title to the property as shown in the Tillamook County deed records and, therefore, is an owner of the property under Measure 49.

According to the information submitted by the claimant Jill Sumerlin has not established her ownership of the property for the purposes of Measure 49. Jill Sumerlin conveyed her ownership interest in the Measure 37 claim property to claimant Larry Sumerlin on April 15, 2009.

Because this requirement has not been met, claimant Jill Sumerlin is not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated for this claimant.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that claimant Larry Sumerlin is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Tillamook County, outside the urban growth boundary and outside the city limits of the nearest city, Tillamook.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned exclusive farm use by Tillamook County. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, division 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an exclusive farm use zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 8.10 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the one home site the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Tillamook County deed records indicate that the claimant acquired the property on October 9, 1987.

On October 9, 1987, the Measure 37 claim property was subject to Tillamook County's acknowledged Farm (F-1) zone. Tillamook County's F-1 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 8.10 acres and is developed with one dwelling. Therefore, the claimant lawfully could not have established the requested one home site on his date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, claimant Jill Sumerlin does not qualify for Measure 49 home site approvals because the claimant no longer owns the Measure 37 claim property.

Based on the department's preliminary analysis, it appears that claimant Larry Sumerlin is not eligible for any relief under Measure 49 because the claimant was not lawfully permitted to establish the lots, parcels, or dwellings on the claimant's date of acquisition.
