DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Preliminary Evaluation**

April 8, 2009

**STATE ELECTION NUMBER:** E130403

**CLAIMANTS:** Victor W. and Marianne D. Kaczynski  
8320 Cooper Spur Road  
Parkdale, OR 97041

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 2S, Range 2W, Section 36  
Tax lot 1100  
Washington County

**I. ELECTION**

The claimants, Victor and Marianne Kaczynski, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on October 24, 2006, for property located on SW Kruger Road, near Sherwood, in Washington County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

**II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish the requested home sites when they acquired the property and because no land use regulation currently prohibits the claimants from establishing a dwelling on the existing lot or parcel.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE  
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes three home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

#### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

##### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Victor and Marianne Kaczynski, filed a Measure 37 claim, M130403, with the state on October 24, 2006. The claimants filed a Measure 37 claim, 37CL0539, with Washington County on September 28, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Washington County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

##### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, Victor and Marianne Kaczynski are the owners of fee title to the property as shown in the Washington County deed records and, therefore, are owners of the property under Measure 49.

##### **(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Washington County, outside the urban growth boundary and outside the city limits of the nearest city, Sherwood.

**(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

As stated in Section III above, the claimants may qualify for up to three home site approvals.

The property is currently zoned Agriculture and Forest (AF-5) by Washington County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a new lot or parcel less than 20 acres for property within a mile of the UGB for the Portland metropolitan area. Because the claimants' property is within a mile of the Portland metropolitan area UGB all new lots or parcels must be at least 20 acres in size.

The claimants' property consists of 6.79 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property two of the three home sites the claimants may qualify for under Section 6 of Measure 49.

**(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Washington County deed records indicate that the claimants acquired the property on September 18, 1981.

The claimants acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Washington County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned AF-5 by Washington County. However, because the Commission had not acknowledged that zone for compliance with the goals, when the claimants acquired the property on September 18, 1981, the statewide planning goals, and in particular Goal 14 and ORS chapter 215 applied directly to the Measure 37 claim property when the claimants acquired it.

On July 31, 1984, the Commission acknowledged the application of Washington County's AF-5 zone to the Measure 37 claim property. The Commission's acknowledgement of Washington County's AF-5 zone confirmed that zone's compliance with Goal 14 and ORS chapter 215. Washington County's acknowledged AF-5 zone required 5 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 6.79 acres. Therefore, on the claimants' acquisition date, they could only have established one home site in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. It appears that the claimants do not qualify for three home sites on the property, unless the claimants can show that a direct application of the Goals would have allowed the claimants to establish additional home sites.

**2. Preliminary Conclusion**

Based on the preliminary analysis, the claimants, Victor and Marianne Kaczynski, do not qualify for any Measure 49 home site approvals because the claimants were not lawfully permitted to establish the requested lots, parcels or dwellings on the claimants' date of acquisition and no land use regulation currently prohibits the claimants from establishing a dwelling on the existing lot or parcel.
