**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 28, 2009

STATE ELECTION NUMBER: E130451¹

CLAIMANT: James McCormack
64631 Alder Slope Road
Enterprise, OR 97828

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 2S, Range 44E, Section 9
Tax lot 2100
Wallowa County

I. ELECTION

The claimant, James McCormack, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on October 27, 2006, for property located at 82029 Black Marble Lane, near Enterprise, in Wallowa County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

claimant has requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes approximately 62 home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, James McCormack, filed a Measure 37 claim, M130451, with the state on October 27, 2006. The claimant filed a Measure 37 claim, 2006-015, with Wallowa County on March 28, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Wallowa County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, James McCormack is the owner of fee title to the property as shown in the Wallowa County deed records and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Wallowa County, outside the urban growth boundary and outside the city limits of the nearest city, Enterprise.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Wallowa County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone. In addition, counties may adopt minimum lot or parcel sizes greater than 80 acres. Wallowa County’s EFU zone requires a minimum of 160 acres for the establishment of a dwelling on a lot or parcel.

The claimant’s property consists of 156.40 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Wallowa County deed records indicate that the claimant acquired the property on October 25, 2003.²

On October 25, 2003, the Measure 37 claim property was subject to Wallowa County's acknowledged Exclusive Farm Use (EFU) zone. Wallowa County's EFU zone required 160 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 156.40 acres, and is developed with one dwelling. Therefore, the claimant lawfully could not have established any additional home sites on his date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, James McCormack, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.

² The Measure 37 waiver issued for this claim identified the claimant's acquisition date as June 12, 1982, the date the claim property was transferred into a revocable trust for the benefit of the trustor, Charles Guy McCormack, of which claimant was a trustee. However, Measure 49 defines "owner" as the trustee of a revocable trust of which the trustee is also a settlor, or the trustee of an irrevocable trust. Because the claimant was not a settlor of the trust in 1982, the claimant's ownership date under Measure 49 is October 25, 2003, the date the property was conveyed to the claimant in fee title

V. NOTICE OF OPPORTUNITY TO COMMENT
