STATE ELECTION NUMBER:

E130587B¹

CLAIMANTS:

Richard and Judy Kindwall
14550 Orchard Knob Road
Dallas, OR 97338

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 7S, Range 5W, Section 17
Tax lot 702
Polk County

I. ELECTION

The claimants, Richard and Judy Kindwall, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 6, 2006, for property located at on James Howe Road, near Dallas, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election

¹ Claim E130587 has been divided into two claims because the claim includes multiple tax lots or parcels that are not in the same ownership. E130587A refers to tax lot 603, and claimant Judy Kindwall. E130587B refers to tax lot 702, and claimants Richard and Judy Kindwall.

material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Richard and Judy Kindwall, filed a Measure 37 claim, M130587, with the state on November 6, 2006. The claimants filed a Measure 37 claim, M06-90 with Polk County on November 3, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed and trust documents submitted by the claimants, Richard and Judy Kindwall are the settlors of revocable trusts into which they conveyed the Measure 37 claim property and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Dallas.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned Farm/ Forest (FF) by Polk County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, provide standards for the establishment of a dwelling in a mixed farm/forest zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres and generate a minimum annual income from the sale of farm or forest products.

The combined effect of the standards for the establishment of a dwelling in a mixed farm/forest zone is to prohibit the claimants from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the home site for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Polk County deed records indicate that the claimants acquired the property on July 21, 1991.

On July 21, 1991, the Measure 37 claim property was subject to Polk County's acknowledged Farm Forest (FF) zone. Polk County's FF zone required 40 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 6.30 acres. Therefore, the claimants lawfully could not have established a home site on the Measure 37 claim property on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Richard and Judy Kindwall, do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish a dwelling on the claimants' date of acquisition.
