### **I. ELECTION**

The claimants, Marvin and Paula Fast, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 16, 2006, for property located at 6125 Enterprise Road, near Dallas, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

### **II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimants' property have not changed since they acquired it. The claimants were not lawfully permitted to establish the requested three home sites when they acquired the property.

### **III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested supplemental review under Section 6 of Measure 49. The Measure 37 waiver issued for this claim describes four home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

#### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Marvin and Paula Fast, filed a Measure 37 claim, M130816, with the state on November 16, 2006. The claimants filed a Measure 37 claim, M06-101, with Polk County on November 15, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

#### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, Marvin and Paula Fast are the owners of fee title to the property as shown in the Polk County deed records and, therefore, are owners of the property under Measure 49.

**(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Dallas.

**(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

As stated in Section III above, the claimants may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels. Those provisions also regulate the establishment of dwellings on new or existing lots or parcels and include restrictions on establishing more than one dwelling on a single tract.

The claimants' property consists of 164.30 acres that make up a single tract. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

**(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Polk County deed records indicate that the claimants acquired the property on June 1, 1998.

On June 1, 1998, the Measure 37 claim property was subject to Polk County's acknowledged Exclusive Farm Use (EFU) zone. As it does today, in 1998 Polk County's EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants were not lawfully permitted to establish more than one dwelling on a tract on their date of acquisition. The claimants' property consists of 164.30 acres and is developed with one dwelling. Therefore, the claimants lawfully could not have established the any additional home sites on their date of acquisition.

**2. Preliminary Conclusion**

Based on the preliminary analysis, the claimants, Marvin and Paula Fast, do not qualify for Measure 49 home site approvals because the zoning of and uses lawfully allowed on the claimants' property have not changed since the claimants acquired the property in 1998. The claimants were not lawfully permitted to establish the requested three home sites when they acquired the property.
