**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 15, 2009

STATE ELECTION NUMBER: E131716A¹

CLAIMANT: E. Jay Quiring²
2050 Oak Villa Road
Dallas, OR 97338

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 7S, Range 5W, Section 15
Tax lot 900
Polk County

I. ELECTION

The claimant, Jay Quiring, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 29, 2006, for property located at the intersection Kings Valley Highway and Highway 22, near Dallas, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimant's property have not changed since he acquired it. The claimant would not have been lawfully permitted to establish the requested two home sites when he acquired the property.

¹ Claim E131716 has been split into two claims, E131716A and E131716B, because the Measure 37 claim sought relief for two non-contiguous parcels. Claim E131716A addresses the claimant's eligibility for Measure 49 relief on tax lot 900 and E131716B addresses his relief on tax lot 1300.

² Ruth W. Quiring is listed as a claimant on the election form, but she was not a claimant under Measure 37 and therefore is not eligible for relief under Measure 49.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes more than three home sites and commercial use.³ Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Jay Quiring, filed a Measure 37 claim, M131716, with the state on November 29, 2006. The claimant filed a Measure 37 claim, M06-152, with Polk County before April 18, 2007. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Jay Quiring is the owner of fee title to the property as shown in the Polk County deed records and, therefore, is an owner of the property under Measure 49.

³ The Measure 37 claim filed described the property for tax lots 900 and 1300.

(b) All Owners of the Property Have Consented in Writing to the Claim

The deed by which the claimant acquired the property indicates that there is one non-claimant owner. The claimant has submitted signed consent by the non-claimant owner.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Dallas.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 56.27 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Polk County deed records indicate that the claimant acquired the property on March 10, 2003.

On March 10, 2003, the Measure 37 claim property was subject to Polk County's acknowledged Exclusive Farm Use (EFU) zone. Polk County's EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 56.27 acres. Therefore, the claimant lawfully could not have established any home sites on his date of acquisition.

2. Preliminary Conclusion

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimant's property have not changed since he acquired it. The claimant would not have been lawfully permitted to establish the requested two home sites when he acquired the property.

V. NOTICE OF OPPORTUNITY TO COMMENT
