DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Preliminary Evaluation**

December 28, 2009

**STATE ELECTION NUMBER:** E131975<sup>1</sup>

**CLAIMANT:** Don Wilbur Limited Partnership  
PO Box 40  
Deadwood, OR 97430

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 16S, Range 9W, Section 26  
Tax lot 100  
Lane County

**I. ELECTION**

The claimant, Don Wilbur Limited Partnership, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located on West Fork Road, near Deadwood, in Lane County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of its Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

**II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimant's property have not changed since it acquired it. The claimant would not have been lawfully permitted to establish any home sites when it acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE  
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election

<sup>1</sup> The claimant also has submitted claims for properties not contiguous to the subject property which are identified as E131971, E131972, E131974 and E131975.

material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimant may qualify for a maximum of one home site approval under Section 6 of Measure 49.

#### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

##### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Don Wilbur Limited Partnership, filed a Measure 37 claim, M131975, with the state on November 30, 2006. The claimant filed a Measure 37 claim, PA05-6837 with Lane County on December 15, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Lane County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

##### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Don Wilbur Limited Partnership is the owner of fee title to the property as shown in the Lane County deed records and, therefore, is an owner of the property under Measure 49.

##### **(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Lane County, outside any urban growth boundary and outside any city limits, near the community of Deadwood.

**(d) One or More Land Use Regulations Prohibit Establishing the Dwelling**

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned Impacted Forest Land (F-2) by Lane County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is "forest land" under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, provide standards for the establishment of a dwelling in a forest zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres.

The combined effect of the standards for the establishment of a dwelling in a forest zone is to prohibit the claimant from establishing a dwelling on the Measure 37 claim property.

**(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Lane County deed records indicate that the claimant acquired the property on May 16, 2001.

On May 16, 2001, the Measure 37 claim property was subject to Lane County's acknowledged Impacted Forest Land (F-2) zone. Lane County's F-2 zone required 80 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 2.45 acres. Therefore, the claimant lawfully could not have established a home site on the Measure 37 claim property on its date of acquisition.

## **2. Preliminary Conclusion**

Based on the preliminary analysis, the claimant, Don Wilbur Limited Partnership, does not qualify for Measure 49 home site approvals because the zoning and lawfully permitted uses of the claimant's property have not changed since it acquired it. The claimant would not have been lawfully permitted to establish the requested home site when it acquired the property.

## **V. NOTICE OF OPPORTUNITY TO COMMENT**
