I. ELECTION

The claimant, Clarence Kenagy, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located at 6884 S. Hansen Lane, near Aurora, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes five home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Clarence Kenagy, filed a Measure 37 claim, M132057, with the state on November 30, 2006. The claimant filed a Measure 37 claim, ZC596-06, with Clackamas County on November 30, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Clackamas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Clarence Kenagy is the settlor of a revocable trust into which he conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Aurora.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm (EFU) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 23.72 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Clackamas County deed records indicate that the claimant acquired tax lot 200 (9.86 acres) on July, 29, 1977, and tax lots 100 (10.92 acres), 190 (2.08 acres), and 300 (.86 acres) on September 1, 1989.

The claimant acquired tax lot 200 of the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Clackamas County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, tax lot 200 was zoned Exclusive Farm Use-20 (EFU-20) by Clackamas County. However, the Commission had not acknowledged that zone for compliance with the goals when the claimant acquired the property on July 29, 1977. Accordingly, the statewide planning goals, and in particular Goal 3 and ORS chapter 215 applied directly to tax lot 200 when the claimant acquired it.

On December 21, 1982, the Commission acknowledged the application of Clackamas County's Exclusive Farm Use-20 (EFU-20) zone to tax lot 200. The Commission's acknowledgement of Clackamas County's EFU-20 zone confirmed that zone's compliance with Goal 3 and ORS chapter 215. Clackamas County's acknowledged EFU-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. Tax lot 200 consists of 9.86 acres, and is developed with a dwelling. Therefore, on the claimant's acquisition date, he could not have established any additional home sites on tax lot 200. It appears that the claimant does not qualify for any additional home sites, on tax lot 200 under Measure 49, unless the claimant can show that a direct application of the Goals and ORS chapter 215 would have allowed the claimant to establish additional home sites.

On September 1, 1989, the Measure 37 claim property consisted of tax lots 100, 190, 200 and 300 and was subject to Clackamas County's acknowledged EFU-20 zone. Clackamas County's EFU-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 23.72 acres, and is developed with one dwelling. Therefore, the claimant lawfully could not have established any home sites on his date of acquisition of tax lots 100, 190 and 300.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Clarence Kenagy, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's dates of acquisition.
