MEASURE 37 PROPERTY
IDENTIFICATION:

Township 2N, Range 10E, Section 18
Tax lot 500^{1,2}
Hood River County

I. ELECTION

The claimants, Ramona Tamiyasu and Mitsuge and Jean Tamiyasu, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located at 5310 Binns Hill Drive, near Hood River, in Hood River County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

¹ In the Hood River County Measure 37 report, the county states that the tax lot comprising the Measure 37 claim property, tax lot 500, consists of two legal parcels, a 49-acre parcel to the north and a 34.62-acre parcel to the south. In reliance on that report, this preliminary evaluation considers the Measure 37 claim property as two legal parcels.

² The Measure 37 claim property filed with the state consisted of tax lot 500. The claimants have attempted to include tax lot 300 (Township 2N, Range 10E, Section 18) for supplemental review under Measure 49; however, a claim cannot be amended to add property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes more than three home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Ramona Tamiyasu and Mitsuge and Jean Tamiyasu, filed a Measure 37 claim, M132256, with the state on November 30, 2006. The claimants filed a Measure 37 claim, 06-M121, with Hood River County on November 29, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Hood River County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deeds submitted by the claimants, Ramona Tamiyasu and Mitsuge and Jean Tamiyasu are the owners of fee title to the property as shown in the Hood River County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Hood River County, outside the urban growth boundary and outside the city limits of the nearest city, Hood River.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Hood River County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 83.62 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Hood River County deed records indicate that claimant Ramona Tamiyasu acquired the property on February 21, 2002, and claimants Mitsuge and Jean Tamiyasu acquired the property on December 16, 2003.³ Therefore, for purposes of Measure 49, the claimants' acquisition date is February 21, 2002.

On February 21, 2002, the Measure 37 claim property was subject to Hood River County's acknowledged Exclusive Farm Use (EFU) zone. Hood River County's EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 83.62 acres, and is developed with two dwellings. Therefore, the claimants lawfully could not have established any additional home sites on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Ramona Tamiyasu and Mitsuge and Jean Tamiyasu, do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.

³ The deed records indicate claimants Mitsuge and Jean Tamiyasu reacquired tax lot 500 on December 16, 2003, after conveying the tax lot to another person. Regarding reacquisition of claim property, Measure 49 section 21(3) provides: "If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant's acquisition date is the date the claimant reacquired ownership of the property."

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimants and the claimants' agent and notice of this evaluation is mailed to third parties.
