## I. ELECTION

The claimant, Roy Zimbrick, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located near Willamina, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

## II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

<sup>1</sup> The claimant also has a claim, E132720, for property that is not contiguous to tax lot 200.

<sup>2</sup> Joyce Zimbrick is listed as a claimant on the election form, but she was not a claimant under Measure 37 and, therefore, is not eligible for relief under Measure 49.

### **III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes four home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

### **IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL**

#### **1. Preliminary Analysis**

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Roy Zimbrick, filed a Measure 37 claim, M132721, with the state on December 1, 2006. The claimant filed a Measure 37 claim, M06-39, with Polk County on July 7, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

#### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Roy Zimbrick is the owner of fee title to the property as shown in the Polk County deed records and, therefore, is an owner of the property under Measure 49.

**(b) All Owners of the Property Have Consented in Writing to the Claim**

The deed by which the claimant acquired the property indicates that there is one non-claimant owner. The claimant has submitted a consent form signed by the non-claimant owner.

**(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Willamina.

**(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant’s property consists of 19.69 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

**(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Polk County deed records indicate that the claimant acquired the property in July 1980.

The claimant acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Polk County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned Exclusive Farm Use (EFU) by Polk County. However, the Commission had not acknowledged that zone for compliance with the goals. When the claimant acquired the property in July 1980, the statewide planning goals, and in particular Goal 3 and ORS chapter 215 applied directly to the Measure 37 claim property when the claimant acquired it.

To determine whether a use of property that was not subject to an acknowledged zone at the time the claimant acquired it would have complied with Goal 3 and ORS 215. OAR 660-041-0110 provides that DLCD will apply the first acknowledged local land use regulations, unless the evidence in the record, including but not limited to, county Measure 37 waivers or local land use determinations issued at the time the property was acquired, establishes that a greater number of lots, parcels or dwellings would have been lawfully permitted.

In 1980, Goal 3 was "to preserve and maintain agricultural lands. It required the adoption of exclusive farm use zones pursuant to ORS chapter 215, and required that "[s]uch minimum lot sizes as are utilized for any farm use zones shall be appropriate for the continuation of the existing commercial agricultural enterprise within the area."

On April 22, 1988, the Commission acknowledged the application of Polk County's Exclusive Farm Use (EFU) zone to the Measure 37 claim property. The Commission's acknowledgement of Polk County's EFU zone confirmed that zone's compliance with Goal 3 and ORS chapter 215. Polk County's acknowledged EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 19.69 acres and is developed with one dwelling. Division of the property would thus necessarily result in a new parcel of less than ten acres.

There is no evidence in the record that establishes that the creation of new parcels of less than 10 acres for the development of dwellings would have satisfied Goal 3 or ORS 215 prior to acknowledgement. Specifically, there is no evidence in the record to establish that less than ten-acre parcels with dwellings would serve to "preserve and maintain agricultural lands" or that such small lot sizes would "be appropriate for the continuation of the existing commercial agricultural enterprise within the area." Unless the claimant is able to show that a division of the

claimant's property into less than 10-acre parcels for residential development would have satisfied the requirements of Goal 3 and ORS 215, it appears that the claimant does not qualify for the requested home sites.

## **2. Preliminary Conclusion**

Based on the preliminary analysis, the claimant, Roy Zimbrick, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.
