I. ELECTION

The claimants, Priscilla Sanderson and Sylvia Dilworth, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located along Bell Road, near Wilsonville, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the lawfully permitted use of the claimant's property has not changed since the claimant acquired the property.

According to the information submitted by the claimants, Sylvia Dilworth is not eligible for any relief under Measure 49 because she has not established her ownership of the property for the purposes of Measure 49.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Priscilla Sanderson and Sylvia Dilworth, filed a Measure 37 claim, M133010, with the state on December 1, 2006. The claimants filed a Measure 37 claim, ZC420-06 with Clackamas County on November 30, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Clackamas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the trust documents submitted by the claimants, Priscilla Sanderson is the trustee of an irrevocable trust into which the Measure 37 property has been conveyed and, therefore, is an owner of the property under Measure 49.

According to the information submitted by the claimants, Sylvia Dilworth, has not established her ownership of the property for the purposes of Measure 49. Claimant Sylvia Dilworth is not currently a trustee of the irrevocable trust and, therefore, is not an owner of the claim property for purposes of Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that claimant Priscilla Sanderson is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Wilsonville.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Sections III and IV (a) above, the claimant Priscilla Sanderson may qualify for up to one home site approval.

The property is currently zoned Exclusive Farm Use (EFU) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimant Priscilla Sanderson from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimant Priscilla Sanderson may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Clackamas County deed records indicate that claimant Priscilla Sanderson acquired the property on July 29, 2004.

The zoning of the Measure 37 claim property has not changed since the claimant acquired the property. As it is currently, on July 29, 2004, the Measure 37 claim property was subject to Clackamas County's acknowledged Exclusive Farm Use (EFU) zone in accordance with Goal 3, as implemented by OAR 660-006-0050.

The claimant is not eligible for Measure 49 relief because the lawfully permitted uses of the claimant's property have not changed since the claimant acquired the property.

2. Preliminary Conclusion

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the lawfully permitted use of the claimant's property has not changed since the claimant acquired the property.

According to the information submitted by the claimants, Sylvia Dilworth is not eligible for any relief under Measure 49 because she has not established her ownership of the property for the purposes of Measure 49.
