OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 31, 2009

STATE ELECTION NUMBER: E133064A¹

CLAIMANTS: Steven J. and Karla D. Heesacker
45868 NW Hillside Road
Forest Grove, OR 97116

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 1N, Range 4W, Section 9C
Tax lot 100
Washington County

I. ELECTION

The claimants, Steven and Karla Heesacker, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located on NW Hillside Road, near Forest Grove, in Washington County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANTS MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was

¹ Claim E133064 has been split into two claims, E133064A and E133064B, because the Measure 37 claim sought relief for two non-contiguous parcels. Claim E133064A addresses the claimants' eligibility for Measure 49 relief on tax lot 100 and E133064B addresses their relief on tax lot 500.

issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site.² Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Steven and Karla Heesacker, filed a Measure 37 claim, M133064, with the state on December 1, 2006. The claimants filed a Measure 37 claim, 37CL0587, with Washington County on November 15, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Washington County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, Steven and Karla Heesacker are the owners of fee title to the property as shown in the Washington County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

² The Measure 37 claim described the property and provided relief for tax lots 100 and 500.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Washington County, outside the urban growth boundary and outside the city limits of the nearest city, Forest Grove.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned Agriculture and Forestry (AF-20) by Washington County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimants from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Washington County deed records indicate that claimant Steven Heesacker acquired the property on March 30, 1990, and claimant Karla Heesacker acquired the property on June 20, 2003. Therefore, for purposes of Measure 49, the claimants' acquisition date is March 30, 1990.

On March 30, 1990, the Measure 37 claim property was subject to Washington County's acknowledged Agriculture and Forestry (AF-20) zone. Washington County's AF-20 zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 9.37 acres. Although Washington County's land development ordinance included provisions outlining a discretionary review process and discretionary standards under which a property owner could obtain approval for a dwelling on a vacant lot or parcel of less than 20 acres, the current record does not establish that the claimants would have been able to satisfy the requirements under such a review. Therefore it appears that the claimants do not qualify for any unless the claimants can show that under the discretionary review process and standards described in Washington County's land development ordinance the claimants would have been lawfully permitted to establish one home site on the Measure 37 claim property when the claimants acquired the property.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Steven and Karla Heesacker, do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the dwellings on the claimants' date of acquisition.

V. NOTICE OF OPPORTUNITY TO COMMENT
