**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 3S, Range 1E, Section 22D

I. ELECTION

The claimants, Peach Cove, LLC and Gerald Palmer, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located near West Linn, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that claimant Peach Cove LLC is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any home sites when it acquired the property.

Based on the department's preliminary analysis, it appears that claimant Gerald Palmer is not eligible for any relief under Measure 49 because he no longer owns the Measure 37 claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Peach Cove, LLC and Gerald Palmer, filed a Measure 37 claim, M134108, with the state on December 4, 2006. The claimants filed a Measure 37 claim, ZC671-06, with Clackamas County on December 4, 2006. The state claim was filed on December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Clackamas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Peach Cove, LLC is the owner of fee title to the property as shown in the Clackamas County deed records and, therefore, is an owner of the property under Measure 49.

According to the information submitted by the claimant, Gerald Palmer has not established his ownership of the property for the purposes of Measure 49. Gerald Palmer deeded his ownership interest to Peach Cove, LLC on March 25, 2002, as demonstrated by the bargain and sale deed submitted by the claimant.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that claimant Peach Cove, LLC is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, West Linn.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Section III above, claimant Peach Cove, LLC may qualify for up to one home site approval.

The property is currently zoned Exclusive Farm Use (EFU) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit claimant Peach Cove, LLC from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which claimant Peach Cove LLC may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Clackamas County deed records indicate that claimant Peach Cove LLC acquired the property on March 25, 2002.

On March 25, 2005, the Measure 37 claim property was subject to Clackamas County's acknowledged Exclusive Farm Use (EFU) zone. Clackamas County's EFU zone required 80 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 1.90 acres. Therefore, the claimant lawfully could not have established a home site on the Measure 37 claim property on its date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, claimant Peach Cove, LLC does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the dwelling on the claimant's date of acquisition.

Based on the preliminary analysis, claimant Gerald Palmer does not qualify for Measure 49 home site approvals because the claimant is not considered an owner of the Measure 37 claim property.
