I. ELECTION

The claimants, Lyle, Gayle and Lynn Kindred, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on February 23, 2005 for property located on Durham Lane, near McMinnville, in Yamhill County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes two home sites, subject to the claimants' compliance with the applicable standards in effect on December 24, 1993. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Lyle, Gayle and Lynn Kindred, filed a Measure 37 claim, M119893, with the state on February 23, 2005. The claimants filed a Measure 37 claim, M37-17-05, with Yamhill County on February 15, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Yamhill County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the land sale contract submitted by the claimants, Lyle, Gayle and Lynn Kindred are the purchasers under a recorded land sale contract in force for the property and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Yamhill County, outside the urban growth boundary and outside the city limits of the nearest city, McMinnville.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to two home site approvals.

The property is currently zoned Exclusive Farm Use (EF-80) by Yamhill County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 5 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the two home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Yamhill County deed records indicate that the claimants acquired the property on December 24, 1993.

On December 24, 1993, the Measure 37 claim property was subject to Yamhill County's acknowledged EF-40 zone. Yamhill County's EF-40 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. To establish a dwelling on an existing lot or parcel the ordinance required that the existing lot or parcel be at least 20 acres. The claimants' property consists of 5 acres. Therefore, the claimants lawfully could not have established any home sites on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Lyle, Gayle and Lynn Kindred, do not qualify for any Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.
