I. ELECTION

The claimant, Sheri Ruegsegger, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on September 2, 2005, for property located at 23660 Gooseneck Road, near Sheridan, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when she acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

claimant has requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes two home sites. Therefore, the claimant may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Sheri Ruegsegger, filed a Measure 37 claim, M122201, with the state on September 2, 2005. The claimant filed a Measure 37 claim, M05-58, with Polk County prior to November 23, 2005. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Polk County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deeds included with the claim, Sheri Ruegsegger is owner of fee title to the property as shown in the Polk County deed records and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Sheridan.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to two home site approvals.

Tax lot 705 of the Measure 37 claim property is currently zoned Farm/Forest (FF) by Polk County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Polk County's FF zone, which requires a minimum lot size of 40 acres.

Tax lot 601 of the Measure 37 claim property is currently zoned Timber Conservation (TC) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is "forest land" under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 10.20 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the two home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the two home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Polk County deed records indicate that the claimant acquired tax lot 705 on June 29, 1977 and tax lot 601 on October 12, 1992

The claimant acquired tax lot 705 after adoption of the statewide planning goals, but before the Commission acknowledged Polk County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned Acreage Residential (AR-5) by Polk County. However, the Commission had not acknowledged that zone for compliance with the goals when the claimant acquired the property on June 29, 1977. Accordingly, the statewide planning goals, and in particular Goals 3 and 4, and ORS chapter 215 applied directly to the Measure 37 claim property when the claimant acquired it.

On April 22, 1988, the Commission acknowledged the application of Polk County's Farm/Forest (FF) zone to tax lot 705 of the Measure 37 claim property. The Commission's acknowledgement of Polk County's FF zone confirmed that zone's compliance with Goals 3 and 4, and ORS chapter 215. Polk County's acknowledged FF zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. Tax lot 705 of the Measure 37 claim property consists of 9.80 acres and is developed with a dwelling. Therefore, on the claimant's acquisition date, she could not have established any additional home sites in either the zone as it existed on the claimant's acquisition date or the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. It appears that the claimant does not qualify for any home sites on tax lot 705 of the Measure 37 claim property, unless the claimant can show that a direct application of the Goals and ORS chapter 215 would have allowed the claimant to establish additional home sites.

The claimant acquired tax lot 601 on October 12, 1992. On October 14, 1992, the Commission acknowledged the application of Polk County's Timber Conservation (TC) zone to tax lot 601 of the Measure 37 claim property. The Commission's acknowledgement of Polk County's TC zone confirmed that zone's compliance with Goal 4 and ORS chapter 215. Polk County's acknowledged TC zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. Tax lot 601 of the Measure 37 claim property consists of 0.40 acres. Therefore, on the claimant's acquisition date, she could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals

and implementing regulations. It appears that the claimant does not qualify for any home sites tax lot 601 of the Measure 37 claim property, unless the claimant can show that a direct application of the Goals and ORS chapter 215 would have allowed the claimant to establish additional home sites.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Sheri Ruegsegger, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.
