**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 5S, Range 1W, Section 28
Tax lot 1900

I. ELECTION

The claimants, Jolenta Hinsvark and James and Sharon Callan-Hinsvark, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 28, 2006, for property located at 11875 Monitor-McKee Road, near Woodburn, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants, James and Sharon Callan-Hinsvark, are not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimants' property have not changed since they acquired it. The claimants would not have been lawfully permitted to establish the requested two home sites when they acquired the property.

Based on the department's preliminary analysis, it appears that the claimant, Jolenta Hinsvark, is not eligible for any relief under Measure 49 because the claimant no longer owns the Measure 37 claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes six home sites, subject to the claimants' compliance with the applicable standards in effect on August 3, 2004. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Jolenta Hinsvark and James and Sharon Callan-Hinsvark, filed a Measure 37 claim, M131342, with the state on November 28, 2006. The claimants filed a Measure 37 claim, M06-198, with Marion County on November 28, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Marion County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, James and Sharon Callan-Hinsvark are the owners of fee title to the property as shown in the Marion County deed records and, therefore, are owners of the property under Measure 49.

According to the information submitted by the claimants, Jolenta Hinsvark has not established her ownership of the property for the purposes of Measure 49. Claimant Jolenta Hinsvark acquired tax lot 1900 on January 1, 1963, as reflected by a recorded deed included with the claim. However, Jolenta Hinsvark conveyed fee title to James and Sharon Callan-Hinsvark on August 3, 2004, retaining for herself a life estate. Under Measure 49, a life estate holder is not an owner of property; thus Jolenta Hinsvark was no longer an owner of tax lot 1900 after August 3, 2004.

Because this requirement has not been met, the remaining approval criteria will not be evaluated for claimant Jolenta Hinsvark.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants James and Sharon Callan-Hinsvark are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, Woodburn.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use (EFU) by Marion County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 35 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;

- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Marion County deed records indicate that the claimants James and Sharon Callan-Hinsvark acquired the property on August 3, 2004.

On August 3, 2004, the Measure 37 claim property was subject to Marion County's acknowledged Exclusive Farm Use (EFU) zone. Marion County's EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 35 acres. Therefore, the claimants lawfully could not have established any home sites on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, James and Sharon Callan-Hinsvark, do not qualify for Measure 49 home site approvals because the zoning and lawfully permitted uses of the claimants' property have not changed since they acquired it. The claimants would not have been lawfully permitted to establish the requested two home sites when they acquired the property.

Based on the preliminary analysis, the claimant, Jolenta Hinsvark, does not qualify for Measure 49 home site approvals because the claimant no longer owns the Measure 37 claim property.

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimants and the claimants' agent and notice of this evaluation is mailed to third parties.

The department will mail a copy of all materials timely filed by a county or a third party with the department to the claimants and the claimants' agent. A claimant or a claimant's authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimants and the claimants' authorized agent.

All comments, evidence and information in response to the preliminary evaluation and all responses to materials filed by a third party or a county shall be delivered to Supplemental Measure 49 Claim Review, 635 Capitol Street NE, Suite 150, Salem, Oregon 97301-2540 and will be deemed timely filed either (1) if actually delivered to the department before the close of business on the final eligible calendar day, or (2) if mailed on or before the final eligible calendar day.
