OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 8, 2009

STATE ELECTION NUMBER: E131362

CLAIMANT: Harriet Alexander
39011 Golden Valley Drive
Lebanon, OR 97355

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 12S, Range 1W, Section 8
Tax lot 602
Linn County

I. ELECTION

The claimant, Harriet Alexander, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 28, 2006, for property located at 39011 Golden Valley Drive, near Lebanon, in Linn County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when she acquired the property.

**III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE
CLAIMANT MAY QUALIFY**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested two home site approvals in the election material. The Measure 37 waiver

issued for this claim describes two home sites. Therefore, the claimant may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Harriet Alexander, filed a Measure 37 claim, M131362, with the state on November 28, 2006. The claimant filed a Measure 37 claim, M37-197-06, with Linn County on November 27, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Linn County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Harriet Alexander is the owner of fee title to the property as shown in the Linn County deed records and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Linn County, outside the urban growth boundary and outside the city limits of the nearest city, Lebanon.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to two home site approvals.

The property is currently zoned Farm Forest (F/F) by Linn County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 78.74 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the two home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the two home sites for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Linn County deed records indicate that the claimant acquired the property on August 3, 1983.

The claimant acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Linn County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that

time, the Measure 37 claim property was zoned Farm Forest (F/F) by Linn County. However, the Commission had not acknowledged that zone for compliance with the goals when the claimant acquired the property on August 3, 1983. Accordingly, the statewide planning goals, and in particular Goals 3, 4 and ORS chapter 215 applied directly to the Measure 37 claim property when the claimant acquired it.

On July 18, 1985, the Commission acknowledged the application of Linn County's Farm Forest (F/F) zone to the Measure 37 claim property. The Commission's acknowledgement of Linn County's F/F zone confirmed that zone's compliance with Goals 3, 4 and ORS chapter 215. Linn County's F/F zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established.¹ The claimant's property consists of 78.74 acres and is developed with a dwelling. Therefore, on the claimant's acquisition date, she could not have established any additional home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. It appears that the claimant does not qualify for any home sites, unless the claimant can show that a direct application of the Goals and ORS chapter 215 would have allowed the claimant to establish additional home sites.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Harriet Alexander, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.

¹ While the F/F zone did not generally have a specific minimum lot size, the zone did specify a minimum acreage requirement of 40 acres for the development of a farm or forest dwelling on a lot or parcel.
