I. ELECTION

The claimant, George Harshman, filed claims with the state under ORS 197.352 (2005) (Measure 37) on October 4, 2006 and November 29, 2006, for property located near Ashland, in Jackson County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the majority of the property is inside the urban growth boundary of the City of Ashland.

¹ Claims E131676 and E131732 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.

² Although Virginia Wilt and Tri-W Group are identified as claimants on the Measure 49 election form, they were not claimants under Measure 37 and, therefore, are not eligible for relief under Measure 49.

³ Although the claimants did not elect supplemental review on tax lot 200, the Measure 37 claim property cannot be amended to withdraw claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 20 home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, George Harshman, filed Measure 37 claim, M131676, with the state on October 4, 2006, and M131732 on November 29, 2006. The claimant filed Measure 37 claim, M37 2006-00103, with Jackson County on October 4, 2006, and M37 2006-00206 on November 29, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Jackson County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, George Harshman is the owner of fee title to the property as shown in the Jackson County deed records and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

The deeds by which the claimant acquired the property indicate that there is one non-claimant owner. The claimant has submitted a consent form signed by the non-claimant owner.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Jackson County and the majority of the property is inside the urban growth boundary of the City of Ashland.

Because this requirement has not been met, the claimant is not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, George Harshman, does not qualify for Measure 49 home site approvals because the majority of the property is inside the urban growth boundary of the City of Ashland.

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimant and the claimant's agent and notice of this evaluation is mailed to third parties.

The department will mail a copy of all materials timely filed by a county or a third party with the department to the claimant and the claimant's agent. A claimant or a claimant's authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimant and the claimant's authorized agent.

All comments, evidence and information in response to the preliminary evaluation and all responses to materials filed by a third party or a county shall be delivered to Supplemental Measure 49 Claim Review, 635 Capitol Street NE, Suite 150, Salem, Oregon 97301-2540 and will be deemed timely filed either (1) if actually delivered to the department before the close of business on the final eligible calendar day, or (2) if mailed on or before the final eligible calendar day.
