STATE ELECTION NUMBER: E131722 and E132265¹

CLAIMANT: Dorothy A. Schmidlin
17325 NW Sellers Road
Banks, OR 97106

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 1S, Range 2W
Section 33: tax lots 190 and 1400
Section 34: tax lot 1100
Washington County

I. ELECTION

The claimant, Dorothy Schmidlin, filed claims with the state under ORS 197.352 (2005) (Measure 37) on November 20, 2006, and November 30, 2006, for property located at 24470 SW Tile Flat Road, near Hillsboro, in Washington County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claims under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant no longer owns the Measure 37 claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election

¹ Claims E131722 and E132265 have been combined into one claim per OAR 660-041-0150 because the subject properties are contiguous.

materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested six home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 28 home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Dorothy Schmidlin, filed Measure 37 claims, M131722 and M132265, with the state on November 20, 2006, and November 30, 2006. The claimant filed Measure 37 claims, 37CL0622-624, with Washington County on November 22, 2006. The state claims were filed prior to December 4, 2006.

It appears that the claimant timely filed Measure 37 claims with both the state and Washington County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the information submitted by the claimant, Dorothy Schmidlin has not established her ownership of the property for the purposes of Measure 49.

Because this requirement has not been met, the remaining approval criteria will not be evaluated.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Dorothy Schmidlin, does not qualify for Measure 49 home site approvals because she is not an owner of the Measure 37 claim property.

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimant and the claimant's agent and notice of this evaluation is mailed to third parties.

The department will mail a copy of all materials timely filed by a county or a third party with the department to the claimant and the claimant's agent. A claimant or a claimant's authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimant and the claimant's authorized agent.

All comments, evidence and information in response to the preliminary evaluation and all responses to materials filed by a third party or a county shall be delivered to Supplemental Measure 49 Claim Review, 635 Capitol Street NE, Suite 150, Salem, Oregon 97301-2540 and will be deemed timely filed either (1) if actually delivered to the department before the close of business on the final eligible calendar day, or (2) if mailed on or before the final eligible calendar day.
