I. ELECTION

The claimants, Timothy Sweeney and Fred Tsang, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located near Newberg, in Yamhill County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

¹ Claim E132079 has been split into two claims, E132079A and E132079B, because the Measure 37 claim sought relief for two non-contiguous parcels. Claim E132079A addresses the claimants' eligibility for Measure 49 relief on tax lot 4401 and E132079B addresses the claimants' relief on tax lot 4402.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any home sites when they acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes four home sites. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Timothy Sweeney and Fred Tsang, filed a Measure 37 claim, M132079, with the state on November 30, 2006. The claimants filed a Measure 37 claim, M37-218-06 with Yamhill County on December 1, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Yamhill County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned

by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

According to the deeds submitted by the claimants, Timothy Sweeney and Fred Tsang are the owners of fee title to the property as shown in the Yamhill County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Yamhill County, outside the urban growth boundary and outside the city limits of the nearest city, Newberg.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Section III above, the claimant may qualify for one home site approval.

An approximately 0.90-acre southwesterly corner of the Measure 37 claim property is currently zoned Public Work/Safety by Yamhill County.

The remaining portion of the property is currently zoned Exclusive Farm Use (EF-40) by Yamhill County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimants from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;

- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Yamhill County deed records indicate that claimants acquired the northern portion of the property on October 13, 1977, and the southwest approximately 3-acre portion of the property on August 10, 1998.

The claimants acquired the northern portion of the Measure 37 claim property after adoption of the statewide planning goals, but before the Land Conservation and Development Commission (the Commission) acknowledged Yamhill County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned Agriculture Forest (AF-20) by Yamhill County. Yamhill County’s AF-20 zone included a fixed minimum acreage standard of 20 acres. However, the Commission had not acknowledged that zone for compliance with the goals when the claimants acquired the northern portion of the Measure 37 claim property on October 13, 1977. Accordingly, the statewide planning goals, and in particular Goals 3 and 4, and ORS chapter 215 applied directly to the northern portion of the Measure 37 claim property when the claimants acquired it.

On June 12, 1980, the Commission acknowledged the application of Yamhill County’s Agriculture Forest (AF-20) zone to the northern portion of the Measure 37 claim property. The Commission’s acknowledgement of Yamhill County’s AF-20 zone confirmed that zone’s compliance with Goals 3 and 4, and ORS chapter 215. Yamhill County’s acknowledged AF-20 zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel. The northern portion of the Measure 37 claim property consists of approximately 16.50 acres. Therefore, on the claimants’ acquisition date, they could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations.

However, because of uncertainty during the time period between adoption of the statewide planning goals in 1975 and each county’s acknowledgment of its plan and land use regulations regarding the factual and legal requirements for establishing compliance with the statewide

planning goals, the 2010 Legislative Assembly amended Measure 49. Senate Bill (SB) 1049 (2010) specifies the number of home sites considered lawfully permitted, for purposes of Measure 49, for property acquired during this period unless the record for the claim otherwise demonstrates the number of home sites that a claimant would have been lawfully permitted to establish. Those amendments provide, in relevant part, that eligibility for home site approval is subject to consistency with local land use regulations in effect when the claimants acquired the subject property.

The northern portion of the Measure 37 claim property was subject to Yamhill County's AF-20 zone on the claimants' date of acquisition. That zone included a fixed minimum acreage standard of 20 acres. The northern portion of the Measure 37 claim property consists of approximately 16.50 acres. Therefore, based on the analysis under SB 1049 (2010), the claimants were not lawfully permitted to establish any home sites on the northern portion of the Measure 37 claim property on their date of acquisition.

On August 10, 1998, the Measure 37 claim property was subject to Yamhill County's acknowledged Exclusive Farm Use (EF-40) zone. Yamhill County's EF-40 zone required 40 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of approximately 19.54 acres. Therefore, the claimants lawfully could not have established a home site on the Measure 37 claim property on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimants, Timothy Sweeney and Fred Tsang, do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the dwellings on the claimants' dates of acquisition.
