**MEASURE 37 PROPERTY

I. ELECTION

The claimants, Carol Beckley and CAB Investments, LLC, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 577 Joe Hooker Road, near Elkton, in Douglas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that claimant Carol Beckley is not eligible for any relief under Measure 49 because the claimant no longer owns the Measure 37 claim property.

Based on the department's preliminary analysis, it appears that the claimant CAB Investments, LLC is not eligible for any relief under Measure 49 because the lawfully permitted use of the claimant's property has not changed since the claimant acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested supplemental review under Section 6 in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 15 home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Carol Beckley and CAB Investments, LLC, filed a Measure 37 claim, M133058, with the state on December 1, 2006. The claimants filed a Measure 37 claim, M37-187, with Douglas County prior to May 14, 2007. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Douglas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimants must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, CAB Investments, LLC is the owner of fee title to the property as shown in the Douglas County deed records and, therefore, is an owner of the property under Measure 49.

According to the information submitted by the claimants, Carol Beckley has not established her ownership of the property for the purposes of Measure 49. Claimant Carol Beckley acquired an ownership interest in the Measure 37 claim property on May 15, 1972, as reflected by a deed included with the claim. However, the claimant conveyed her entire interest in the subject property to CAB Investments, LLC on September 15, 2000, as reflected by a deed included with the claim. Carol Beckley is no longer an owner of the Measure 37 claim property.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that claimant CAB Investments, LLC is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Douglas County, outside the urban growth boundary and outside the city limits of the nearest city, Elkton.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Sections III and IV(a) above, claimant CAB Investments, LLC may qualify for up to three home site approvals.

The property is currently zoned Exclusive Farm Use-Grazing (FG) by Douglas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone. Those provisions also regulate the establishment of dwellings on new or existing lots or parcels and include restrictions on establishing more than one dwelling on a single tract.

The claimant's property consists of 321.42 acres that make up a single tract. Therefore, state land use regulations prohibit claimant CAB Investments, LLC from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;

- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which claimant CAB Investments, LLC may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Douglas County deed records indicate that claimant CAB Investments, LLC acquired the property on September 15, 2000.

The zoning of the Measure 37 claim property has not changed since the claimant acquired the property. As it is today, on September 15, 2000, the Measure 37 claim property was subject to Douglas County's acknowledged Exclusive Farm Use-Grazing (FG) zone in accordance with Goal 3, as implemented by OAR 660-006-0050.

The claimant is not eligible for Measure 49 relief because the lawfully permitted uses of the claimant's property have not changed since the claimant acquired the property.

2. Preliminary Conclusion

Based on the preliminary analysis, claimant Carol Beckley does not qualify for Measure 49 home site approvals because the claimant no longer owns the Measure 37 claim property.

Based on the department's preliminary analysis, it appears that the claimant CAB Investments, LLC is not eligible for any relief under Measure 49 because the lawfully permitted use of the claimant's property has not changed since the claimant acquired the property.

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimants and the claimants' agent and notice of this evaluation is mailed to third parties.

A claimant or a claimant's authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimants and the claimants' authorized agent.
