OF MEASURE 37 CLAIM
Preliminary Evaluation**

December 10, 2009

STATE ELECTION NUMBER: E133352A^{1,2}

CLAIMANTS: Franklin R. Young
26474 S Gelbrich Road
Canby, Oregon 97013

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 4S, Range 1E, Section 16
Tax lot 205
Clackamas County

I. ELECTION

The claimant, Franklin Young, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 26150 S Gelbrich Road, near Canby, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimant is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any additional home sites when he acquired the property.

¹ Claim E133352 has been divided into three claims because the claim includes multiple tax lots or parcels that are not contiguous and not in the same ownership. E133352A refers to tax lot 205 and claimant Franklin Young. E133352B refers to tax lot 200 and claimant Frances Young. E133352C refers to tax lot 204 and claimant Frances Young. Tax lots 200 and 204 are both owned by Frances Young and are not contiguous to each other.

² The claimant also has other claims, E133350A, E133351, and E118723A and E118723C, for property that is not contiguous to tax lot 205.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under the Section 6 option, the number of home site approvals issued by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested supplemental review under Section 6. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimant may qualify for a maximum of one home site approval under the Section 6 option.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Franklin Young, filed a Measure 37 claim, M133352, with the state on December 1, 2006. The claimant filed a Measure 37 claim, ZC707-06 with Clackamas County on December 1, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Clackamas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under Section 6 of Measure 49 the claimant must establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimant, Franklin Young is the owner of fee title to the property as shown in the Clackamas County deed records and, therefore, is an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimant is the sole owner of the property. Therefore, no additional consent is required.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Canby.

(d) One or More Land Use Regulations Prohibit Establishing the Dwelling

As stated in Section III above, the claimant may qualify for up to one home site approval.

The property is currently zoned Exclusive Farm Use (EFU) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres in size in an EFU zone and generate a minimum annual income from the sale of farm products.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimant from establishing a dwelling on the Measure 37 claim property.

(e) The Establishment of the Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Clackamas County deed records indicate that the claimant Franklin Young acquired the property on February 26, 1993.³

On February 26, 1993, the Measure 37 claim property was subject to Clackamas County's acknowledged Exclusive Farm Use (EFU-20) zone. Clackamas County's EFU-20 zone required 5 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 2.05 acres. Therefore, the claimant lawfully could not have established a home site on the Measure 37 claim property on his date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, the claimant, Franklin Young, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the dwellings on the claimant's date of acquisition.

³ The deed records indicate claimant reacquired tax lot 205 on February 26, 1993, after conveying the tax lot to another person. Regarding reacquisition of claim property, Measure 49 section 21(3) provides: "If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant's acquisition date is the date the claimant reacquired ownership of the property."

V. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or a claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimant and the claimant's agent and notice of this evaluation is mailed to third parties.

The department will mail a copy of all materials timely filed by a county or a third party with the department to the claimant and the claimant's agent. A claimant or a claimant's authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimant and the claimant's authorized agent.

All comments, evidence and information in response to the preliminary evaluation and all responses to materials filed by a third party or a county shall be delivered to Supplemental Measure 49 Claim Review, 635 Capitol Street NE, Suite 150, Salem, Oregon 97301-2540 and will be deemed timely filed either (1) if actually delivered to the department before the close of business on the final eligible calendar day, or (2) if mailed on or before the final eligible calendar day.
