June 21, 2010

STATE ELECTION NUMBER: H131694

CLAIMANTS: Gregory C. and Suzanne Gardner
89374 Saddle Mountain Road
Astoria, OR 97103

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 7N, Range 9W, Section 24
Tax lot 900
Clatsop County

I. ELECTION

The claimants, Gregory and Suzanne Gardner, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 29, 2006, for property located at 89374 Saddle Mountain Road, near Astoria, in Clatsop County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant did not file a county Measure 37 claim. Gregory and Suzanne Gardner were not entitled to Measure 49 relief on that basis.

However, the Oregon State Legislative Assembly subsequently amended this Measure 49 requirement through the passage of House Bill 3225 (Chapter 855 (2009 Laws)) (HB 3225). As a result, this requirement no longer prevents the claimants, Gregory and Suzanne Gardner, from obtaining Measure 49 relief. The claimants elected to seek relief under Measure 49, as amended by HB 3225, and submitted the \$175 fee required by Section 18 of HB 3225 in order to have the claim reviewed.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, it appears that the claimants are not eligible for any relief under Measure 49 because the claimants would not have been lawfully permitted to establish any additional home sites when they acquired the property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANTS MAY QUALIFY

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes two home sites. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

IV. PRELIMINARY ANALYSIS OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, a claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed their state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

The claimants, Gregory and Suzanne Gardner, filed a Measure 37 claim, M131694, with the state on November 29, 2006. The claimants did not file a county Measure 37 claim. The state claim was filed prior to December 4, 2006.

It appears the claimants filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimants had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

In addition to timely filing a state claim, to qualify for a home site approval under Section 6 of Measure 49 the claimants must also establish each of the following:

(a) The Claimant is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, Gregory and Suzanne Gardner are the owners of fee title to the property as shown in the Clatsop County deed records and, therefore, are owners of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

(c) The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary

The Measure 37 claim property is located in Clatsop County and the property is located outside any urban growth boundary and outside the city boundary of the nearest city, Astoria.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimants may qualify for up to two home site approvals.

The property is currently zoned Agriculture-Forestry (AF) by Clatsop County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 30.45 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of the two home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Clatsop County deed records indicate that claimant Suzanne Gardner acquired the property on January 2, 1990, and claimant Gregory Gardner acquired the property on March 4, 1997. Therefore, for purposes of Measure 49, the claimants’ acquisition date is January 2, 1990.

On January 2, 1990, the Measure 37 claim property was subject to Clatsop County’s acknowledged Agriculture-Forest (AF-20) zone. Clatsop County’s AF-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants’ property consists of 30.45 acres and is developed with a dwelling. Therefore, the claimants lawfully could not have established any additional home sites on their date of acquisition.

2. Preliminary Conclusion

Based on the preliminary analysis, it appears that the claimants, Gregory and Suzanne Gardner, do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants’ date of acquisition.
