**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM

**CLAIMANTS:** Ray Streeter and Jacquelyn S. Streeter  
21495 Sandlake Drive  
Cloverdale, OR 97112

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 3S, Range 10W, Section 29  
Tax lot 700  
Tillamook County

**PRIMARY CONTACT INFORMATION:** Mike Streeter

**I. ELECTION**

The claimants, Ray Streeter and Jacquelyn Streeter, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 2, 2006, for property located at 24104, 24105 and 24115 Sandlake Road, near Cloverdale, in Tillamook County. ORS 195.300 to ORS 195.336 (Measure 49) entitled claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 7 of Measure 49. However, the claimants did not submit an appraisal consistent with the requirements in Section 8(5) of Measure 49 and did not change their election to request relief under Section 6 of Measure 49. Therefore, they were not entitled to any relief under Measure 49. ORS 195.300 to ORS 195.336 (Measure 49), as amended by Senate Bill 1049 (SB 1049) now entitles claimants who elected reviewed under Section 7 but did not submit an appraisal consistent with the requirements in Section 8(5) of Measure 49 to elect supplemental state review of their claims; and allows the Department of Land Conservation and Development (the department) to authorize one dwelling approval to qualified claimants and, if the property does not include a vacant parcel for the dwelling, a parcel on which to site the dwelling.

---

<sup>1</sup> Claim E133378 was split into two claims, E133378A and D133378B, because the Measure 37 claim sought relief for non-contiguous parcels. The claimants were eligible for relief under Measure 49 for claim E133378A which addressed tax lot 400 (T3S R10W S21). A final order under Measure 49 on claim E129466(A) was issued on August 13, 2009. This evaluation addresses their relief on tax lot 700.

The claimants have elected supplemental review of their Measure 37 claim under SB 1049, and have submitted the \$2500 fee required by Section 7(2) of SB 1049 for that review.

## **II. SUMMARY OF PRELIMINARY EVALUATION**

Based on the department's preliminary analysis, it appears that the claimants are qualified for one dwelling approval and one parcel on which to site that dwelling on the Measure 37 claim property.

## **III. PRELIMINARY ANALYSIS OF QUALIFICATION FOR DWELLING APPROVAL**

### **1. Preliminary Analysis**

To qualify for approval of a dwelling under Measure 49, as amended by SB 1049, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimants, Ray Streeter and Jacquelyn Streeter, filed a Measure 37 claim, M133378, with the state on December 2, 2006. The claimants filed a Measure 37 claim, M06-40, with Tillamook County on December 1, 2006. The state claim was filed prior to December 4, 2006.

It appears that the claimants timely filed a Measure 37 claim with both the state and Tillamook County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a dwelling approval under SB1049, the claimants must establish each of the following:

#### **(a) The Claimant is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the deed submitted by the claimants, Ray Streeter and Jacquelyn Streeter are the owners of fee title to the property as shown in the Tillamook County deed records and, therefore, are owners of the property under Measure 49.

**(b) All Owners of the Property Have Consented in Writing to the Claim**

It appears that the claimants are the sole owners of the property. Therefore, no additional consent is required.

**(c) The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City; or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary**

The Measure 37 claim property is located in Tillamook County, outside any urban growth boundary and outside any city boundary, near the community of Cloverdale.

**(d) One or More Land Use Regulations Prohibit Establishing the Dwelling**

The property is currently zoned for exclusive farm use by Tillamook County. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, division 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an exclusive farm use zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 64.7 acres in one parcel and is developed with at least one dwelling. Therefore, state land use regulations prohibit the claimants from establishing one additional dwelling on the Measure 37 claim property and a parcel on which to site that dwelling.

**(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimants, it does not appear that the establishment of an additional dwelling and a lot or parcel on which to site the dwelling for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least One Additional Dwelling on the Property**

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Tillamook County deed records indicate that the claimants acquired the property on May 18, 1965.

The Measure 37 claim property consists of 64.7 acres, and appears to currently be developed with at least one dwelling.

On May 18, 1965, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimants from establishing at least one additional dwelling. Therefore, the claimants lawfully could have established one additional dwelling on the Measure 37 claim property under Measure 49, as amended by SB 1049.

**2. Preliminary Conclusion**

Based on the preliminary analysis, it appears that the claimants, Ray Streeter and Jacquelyn Streeter, qualify for one dwelling under Measure 49, as amended by SB 1049. Because it appears that the Measure 37 claim property includes only one parcel that is already developed with at least one dwelling, the claimants also appear to qualify to divide the claim property to create one additional parcel on which to site the dwelling.

**IV. PRELIMINARY STATEMENT OF PROPOSED LIMITATIONS AND CONDITIONS ON THE NUMBER AND SCOPE OF HOME SITE APPROVALS**

The department has identified the following limitations and conditions that may affect the dwelling approval that the claimants would otherwise be entitled to under Measure 49, as amended by SB 1049. This list may not be comprehensive and does not preclude the possibility that other considerations, not yet identified by the department, may affect the establishment of a dwelling and a lot or parcel on which to site that dwelling.

1. The establishment of a dwelling and a lot or parcel for that dwelling based on a Measure 49 authorization must comply with all applicable standards governing siting or development. However, those standards must not be applied in a manner that prohibits the establishment of the dwelling, and the lot or parcel for that dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. An authorization under Measure 49 does not allow the establishment of a dwelling, and lot or parcel for that dwelling, in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).

3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed.
4. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert a temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a Measure 49 dwelling approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
5. An authorization under Measure 49 only allows the establishment of a new dwelling, and lot or parcel for that dwelling, on property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed, or on Measure 37 claim property on which a claimant is not eligible for Measure 49 relief. A lot or parcel established pursuant to this authorization must site the dwelling that may be established pursuant to this authorization.
6. The claimants may use an authorization to convert an unauthorized or nonconforming dwelling currently located on the claim property into an allowed use.
7. The claimants may not implement the relief described in a Measure 49 authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then any Measure 49 authorization for the property will be void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be authorized using this approval.
8. An authorization under Measure 49 does not allow the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to partition a lot or parcel currently in existence on the Measure 37 claim property so that the authorized dwelling established on the property is sited on a separate lot or parcel.
9. If the property described in a claim is divided by an urban growth boundary, any new dwelling, and the lot or parcel for that dwelling that is established on the property pursuant to this authorization must be located on the portion of the property outside the urban growth boundary.
10. Because the property is located in an exclusive farm use zone, the new lot or parcel created for the authorized dwelling cannot exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction in one of these zones, the owner must comply with the requirements of ORS 215.293. Further, this authorization will

not allow a new lot or parcel that exceeds two acres if the new lot or parcel is located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.

11. Because the property is located in an exclusive farm use zone, Measure 49 requires new lot or parcel to be positioned so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site approvals to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
12. Once the department issues a final authorization, a dwelling and the lot or parcel for that dwelling established pursuant to that authorization will run with the property and will transfer with the property. An authorization will not expire, except that if a claimant who received an authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized dwelling and lot or parcel, within 10 years of the conveyance. A lot or parcel lawfully created based on this authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on this authorization is a permitted use.
