

Oregon Coastal Management Program

2016 STAFF MEMBERS

Oregon Department of Land Conservation & Development
635 Capitol St. NE #150, Salem OR 97301

Patty Snow **Ocean & Coastal Program Manager** **(Salem office)**
Patty.Snow@state.or.us (503) 934-0052

Oversees all functions of the Oregon Coastal Management Program, provides program advice to coastal staff. Provides a point of contact for the Governor's Office and department director on coastal issues. Serves as liaison between the coastal program, other state and federal agencies or programs, non-governmental organizations, and associations. Serves on the department management team. Represents Oregon to the Coastal States Organization.

With DCLD since 2012, formerly Department of Fish and Wildlife.

Dave Perry **South Coast Field Representative** **(Newport office)**
Dave.Perry@state.or.us (541) 574-1584

Assists cities and counties south of Newport in Curry, Coos, Douglas, Lane, and Lincoln counties. Provides planning, policy, and technical advice, serves as grants officer for planning and technical assistance grants to local governments. Coordinates with state and federal agencies within the region on land use issues affecting local governments. Serves as the department's point-of-contact for local governments.

With DCLD since 1995; former planner in Polk County.

Patrick Wingard **North Coast Field Representative** **(Tillamook RSC)**
Patrick.Wingard@state.or.us (541) 574-1095

Assists cities and counties north of Newport in Clatsop, Tillamook, and Lincoln counties. Provides planning, policy, and technical advice, serves as grants officer for planning and technical assistance grants to local governments. Coordinates with state and federal agencies within the region on land use issues affecting local governments. Serves as the department's point-of-contact for local governments.

With DCLD since 2012; former Clatsop County Planning Dept.

Laren Woolley **Coastal Shorelands Specialist** **(Newport Office)**
Laren.Woolley@state.or.us (541) 514-0091

Assists coastal cities and counties with technical advice and information to improve planning for coastal shore processes, geologic hazards, and tsunami resilience. Works with state and federal agency staff and university researchers to plan for and manage coastal development in relation to coastal shore processes and geologic hazards. Serves as contract officer for Section 309 Program Enhancement projects for coastal hazards grants to local governments.

With DCLD since 1998; former planner in Curry County and City of Gold Beach.

Matt Spangler

Coastal Policy Specialist

Matt.Spangler@state.or.us

(Newport Office)

(541) 574-1095

Serves as principal policy advisor to coastal staff, state agencies, and local governments as needed, especially related to goals 16, Estuarine Resources, 17, Coastal Shorelands, and 18, Beaches and Dunes. Monitors state and federal legislative activities for effects on Oregon's coastal policies and programs; provides advice to agency director and coastal program manager. Leads program assessments for 309 Program Enhancements.

With DCLD since 2009; former Lincoln County Planning Director.

Andy Lanier

Coastal Natural Resources Specialist

Andy.Lanier@state.or.us

(Salem office)

(503) 934-0072

Provides technical and logistical support for ocean planning activities, oversees projects related to science and monitoring of coastal natural resources. Provides technical and staff assistance to the Ocean Policy Advisory Council, serves as the co-chair for the West Coast Governors Alliance Regional Data Framework Action Coordination Team, and others.

Administers contracts for Section 309 ocean management projects.

With DLCD since 2007; two years as a NOAA Coastal Fellow.

Paul Klarin

Marine Affairs Specialist

Paul.Klarin@state.or.us

(Salem office)

(503) 934-0026

Principal policy advisor on ocean and marine issues for the coastal program, Governor's office, other state and federal agencies. Provides guidance and direction on Territorial Sea planning and management, particularly ocean alternative energy. Assists department director and Coastal Program Manager in analyzing legislation, rules, and policy related to marine issues.

With DCLD since 1990

Heather Wade

State-Federal Affairs Coordinator

Heather.Wade@state.or.us

(Salem office)

(503) 934-0029

Primary point of contact with federal agencies to ensure that federal licenses, permits, or projects affecting the coastal zone are consistent with Oregon's Coastal Management Program. Provides policy advice and technical assistance to applicants, federal and state agencies and local governments. Assists Coastal Program Manager and department director with policy advice for coastal projects requiring federal and state approvals.

With DCLD since 2015.

Randy Dana

Coastal GIS Specialist

Randy.Dana@state.or.us

(Portland office)

(971) 673-0960

Principal technical and program specialist for coastal Geographic Information Systems (GIS). Develops and maintains geo-spatial data for use within the Coastal Management Program and other agency partners. Provides technical assistance and advice to local governments regarding GIS. Assists in providing GIS training for local government staff. GIS liaison to other state and federal agencies with geo-spatial interests in the coastal region.

With DCLD since 1994.

Tanya Haddad **Online Services Administrator** **(Portland office)**
Tanya.Haddad@state.or.us (971) 673-0962

Develops and maintains the Oregon Coastal Atlas, and other on-line information resources. Assists technical staff in local, state and federal agencies, and university researchers to develop and implement upgrades in on-line content, tools, and services. Coordinates the Oregon Coastal and Marine Framework Implementation Team for the State of Oregon. Liaison with regional, national, and international technical teams developing web-based information portals.

With DCLD since 1998; two years as NOAA Coastal fellow.

Diana Evans **Coastal Grants Coordinator** **(Salem office)**
Diana.Evans@state.or.us (503) 934-0038

Administers OCMP grant funds received from the federal government (NOAA Ocean and Coastal Resource Management and others) and grants or contracts awarded to local coastal jurisdictions or private entities. Assists program manager and department fiscal staff in developing budgets, tracking projects and grants, and monitoring expenditures. Coordinates coastal grant-funded activities with overall department fiscal and accounting staff.

With DCLD since 2005

Lorinda DeHaan **Administrative Assistant** **(Salem office)**
Lorinda.DeHaan@state.or.us (503) 934-0007

Assists the Coastal Program Manager and other coastal staff in a wide range of administrative duties and activities. Maintains grants, permits, and contracts data bases, provides logistic support for meetings, conferences, and travel. Assists Coastal Program Manager in tracking workflow.

With DCLD since 2004.

Amanda Punton **Coastal Water Quality Specialist** **(Portland office)**
Amanda.Punton@state.or.us (971) 673-0961

Principal program specialist for coastal water quality. Provides technical assists to local governments seeking to protect and improve water quality. Serves as a liaison to state and federal agencies on issues related to surface water, groundwater, floodplains and aquatic habitat. Also serves as the department's specialist on natural resource issues included under Statewide Land Use Goals 5, 6, 7 and 15.

With DLCD since 1998.

Julie Sepanik **NOAA Coastal Fellow** **(Salem office)**
Julie.Sepanik@state.or.us (503) 934-0035

Working on the generation of an asset inventory for features in Oregon estuaries at risk to Sea Level Rise. Julie will work on the creation and publishing of sea level rise planning areas for coastal jurisdictions at risk of future flooding. She joins the department following the completion of her graduate degree from George Mason University.

Fellowship duration September 2015 through December 2017.
