Notice of Federal Concurrence for Routine Program Changes to the Oregon Coastal Management Program (OCMP)

**(Updates to the City of Astoria and City of Warrenton
Comprehensive Plans and Land Use Provisions Incorporated into the OCMP)**

From the OREGON COASTAL MANAGEMENT PROGRAM
of the OREGON DEPARTMENT OF LAND CONSERVATION & DEVELOPMENT

DATE: August 14, 2014

NOTICE: Pursuant to 15 CFR Section 923.84 (federal Coastal Zone Management Act regulations), the federal Office of Ocean and Coastal Resources Management (OCRM) has concurred that the incorporation of the following local land use provisions constitute “routine program changes” to the Oregon Department of Land Conservation and Development’s (DLCD) federally-approved Oregon Coastal Management Program (OCMP).

Routine Program Changes:

- OCRM concurred with the incorporation of the City of Astoria Comprehensive Plan and Zoning Ordinance on August 11, 2014. The initial notice DLCD provided on May 22, 2014 provides details of the routine program change request.
- OCRM concurred with the incorporation of the City of Warrenton Comprehensive Plan and Zoning Ordinance on August 11, 2014. The initial notice DLCD provided on May 22, 2014 provides details of the routine program change request.

Federal consistency will apply to the changes that OCRM approved starting August 14, 2014.

ADDITIONAL INFORMATION: Copies of the notices referenced above and tables listing the approved changes are posted on the DLCD website, under Public Notices for Coastal Program Updates, at: http://www.oregon.gov/LCD/OCMP/PublicNotice_Intro.shtml.

If you have questions regarding this notice, please contact Juna Hickner, Coastal State-Federal Relations Coordinator, at juna.hickner@state.or.us or (503) 934-0029.

AUG 11 2014

Dear Ms. Snow:

Thank you for the Department of Land Conservation and Development's (DLCD) May 21, 2014 request to incorporate the current versions of the City of Astoria and City of Warrenton Comprehensive Plans and Development Codes into the Oregon Coastal Management Program. You requested that the changes described below be incorporated as routine program changes (RPCs), pursuant to Coastal Zone Management Act (CZMA) regulations at 15 C.F.R. part 923, subpart H, and Office of Ocean and Coastal Resource Management (OCRM) Program Change Guidance (July 1996). OCRM received the original request on May 27, 2014. OCRM's decision deadline was extended to August 15, 2014.

Based on our review of your submission, we concur that the changes are RPCs and we approve the incorporation of the changes as enforceable and non-enforceable policies of the Oregon Coastal Management Program. Federal Consistency will apply to the approved changes to enforceable policies only after you publish notice of this approval pursuant to 15 C.F.R. § 923.84(b)(4), and OCRM's *Addendum to the July 1996 Program Change Guidance (November 2013)*. Please include in the public notice the list of changes provided in this letter, and please send a copy of the notice to OCRM.

CHANGES APPROVED

See enclosed list of the changes incorporated into the Oregon Coastal Management Program.

QUALIFICATIONS

States may not incorporate enforceable policies by reference. If an approved enforceable policy refers to another regulation, policy, standard, guidance, or other such requirement or document (hereinafter "referenced policy"), the referenced policy itself must be submitted to and approved by OCRM as an enforceable policy in order to be applied under the federal consistency review provisions of the CZMA. Therefore, no requirement or document referenced in the approved enforceable policies may be applied for federal consistency unless that requirement or document has separately been approved by OCRM.

For example, section 5.301 of the Warrenton Comprehensive Plan refers to policies within the Washington Coastal Nonpoint Program, which Oregon cannot use as enforceable policies. Similarly, the Astoria Development Code explicitly incorporates by reference the Department of

Environmental Quality's "Best Management Practices for Stormwater Discharges Associated with Construction Activities." OCRM does not approve these, or any other policies incorporated by reference, as enforceable policies of the Oregon Coastal Management Program.

CHANGES NOT APPROVED

OCRM has not approved the sections described below because these sections would impose policies on federal agencies or federal lands. The CZMA does not authorize states to establish regulatory standards for federal lands or waters and, in fact, excludes federally controlled lands and waters from the state's coastal zone. See 16 U.S.C. § 1453(1). Moreover, a state policy that purports to regulate or otherwise establish standards for federal agencies or federal lands or waters would not meet the CZMA's definition of "enforceable policy," which requires that state policies be legally binding under state law. See 16 U.S.C. § 1453(6a). Since Oregon has no regulatory authority over federal agencies under the CZMA, the City of Astoria Comprehensive Plan sections described below could not be legally binding under state law, as required by CZMA section 304(6a):

- City of Astoria Comprehensive Plan (ACP) Sections ACP.180(F)(1)(d), (4)(a), and (5)(a), which designate federal lands, including the U.S. Coast Guard Base and Federal Job Corps Center, as different types of Development Code areas.

In addition, OCRM has not approved the following sections for incorporation into the Oregon Coastal Management Program: the City of Astoria Comprehensive Plan Section ACP.185(U) (Federal Consistency Policies); the City of Astoria Development Code Section 5.030 (Coastal Zone Consistency Review); the City of Warrenton Comprehensive Plan Section 5.339 (Federal Consistency); and the City of Warrenton Development Code Chapter 16.244 (Coastal Zone Consistency Review). Each of these sections sets forth federal consistency review procedures and policies that do not conform with, and inaccurately state, OCRM's current federal regulations.

PUBLIC AND FEDERAL AGENCY COMMENTS

OCRM received no comments on this RPC submission.

Thank you for your cooperation in this review. Please contact Jackie Roller at 301-563-1179, if you have any questions.
