Notice of Routine Program Change

From the OREGON COASTAL MANAGEMENT PROGRAM
of the OREGON DEPARTMENT OF LAND CONSERVATION & DEVELOPMENT

DATE: May 7, 2013

NOTICE: Pursuant to 15 CFR Section 923.84 (federal Coastal Zone Management Act regulations), notice is hereby given that the Oregon Department of Land Conservation & Development (DLCD) has submitted a routine program change request to the federal Office of Ocean and Coastal Resources Management (OCRM). The request seeks to incorporate updates to the Clatsop County Comprehensive Plan and zoning ordinance into the federally-approved Oregon Coastal Management Program (OCMP).

OCRM approved the incorporation of the Clatsop County plan and ordinance into the OCMP in 1985. Since that time the Clatsop County Board of Commissioners has periodically approved updates to the plan and ordinance. DLCD is now submitting the current versions of these documents, which include all of the updates, for OCRM's approval.

DLCD has determined that these updates constitute a routine program change to DLCD's federally-approved coastal management program because the action does not make any substantial change to any enforceable policies or authorities related to: (1) uses subject to management; (2) special management areas; (3) boundaries; (4) authorities and organization; or (5) coordination, public involvement and national interest. DLCD has requested that OCRM concur with this determination.

ADDITIONAL INFORMATION: Additional information and related documents are available on the OCMP website at: http://www.oregon.gov/LCD/OCMP/PublicNotice_Intro.shtml

COMMENTS: Comments regarding whether this program modification does or does not constitute a routine program change may be submitted to OCRM within three weeks of the date of this notice. Please send all notices to:
